1. The Committee is to seek to discover areas where new work is needed and to lead in the sponsorship or establishment of new work to meet present need or the securing of property by a local church and/or the Association in the anticipation of future need.
2. All new work does not necessarily need to be nor should be intended to become an organized or constituted church. New work may be started and maintained on the basis of a mission to meet particular need (this provides for institutional missions such as jails, prisons, rest homes, etc.)
3. The location of missions or new churches shall be determined by the need revealed in an adequate survey conducted by the Missions Committee and local interested groups or churches.

4. Any church, committee, group or individuals considering beginning new work, acting with or without church sponsorship, should approach the Missions Committee for guidance before having any service or choosing a temporary or permanent location.
 5. The Missions Committee shall institute basic, understandable operational procedures and practices for a mission that leads in establishing and strongly urges that each church establishing a mission does the same. That guidance of missions by the Missions Committee shall continue until a co-operating church or churches can be led to accept the responsibility of sponsorship.
 6. A mission organized or assisted by the Missions Committee shall accept the recognized principles and practices of a church cooperating with the Randolph Association, the Baptist State Convention and the Southern Baptist Convention.
 7. The Missions Committee shall plan and develop special associational projects and make the churches aware of these mission opportunities to participate.

- This committee will be also responsible for promoting the annual session through the various news media.
- e. *Evangelism*: The Evangelism committee shall be composed of six members, two serving three (3) years, two serving two (2) years and two serving one year. The committee shall meet at least once each quarter and report its activities to the Executive Committee. The committee will give a written report to the annual session.
- f. *Ordinations*: The Ordination Committee shall be composed of three members, one serving three (3) years, one serving two (2) years, and one serving one year. Also the Director of Missions, the pastor and deacons of the home and requesting churches, shall, when requested, assist with the examination and ordination of a candidate for the Gospel ministry.

RANDOLPH BAPTIST ASSOCIATION

- (2) The committee requires that the candidate be called by a church for ministry before requesting examination.

The chairman shall report the committee's activities to the Executive Committee and provide a written report for the annual session.

- g. *Place, Time, and Preacher:* This committee shall be composed of three members, one serving three (3) years, one serving two (2) years, and one serving one year. The committee shall also commend those persons and institutions that uphold Christian virtue, and shall support the churches in the teaching of Christian personal and social righteousness. The committee shall report to the Executive Committee and Annual Session when needed.

ARTICLE VIII — ORDINATION AND CALLING OF PASTORS

Section 1. Inasmuch as the ordination of a man to the gospel ministry by any church in this Association is expected to be recognized by the denomination as a whole, the churches are counseled to be extremely careful in the matter of setting men apart for this sacred calling, ordaining only those who, by irreproachable character, piety of life, doctrinal soundness and suitable talents, give promise of honoring the name of Christ and of rendering acceptable service in the missionary Baptist ministry.

Section 2. To aid the churches in this vital matter, the Association will appoint each year a committee of five of the pastors to be called the Committee on Ordination. Any church desiring to ordain a brother to the ministry may request the Ordination Committee to act as a presbytery for the purpose of examining the brother according to the guidelines found under Duties of Ordination Committee.

Section 3. Sunday School Report

Early in January of this year the Randolph Association Assist team (Assist Team is an acronym for Associational Sunday School Improvement Support Team) to Campbell University for the purpose of learning the material in the new Basic Book series of Sunday School Work. Our Assist Team was glad of the opportunity to attend for we were planning to teach that series in September.

As Sunday School Director for the association I have led the association in a concentrated Sunday School preparation effort for the coming year.

In late July I conducted the Pastor's and Sunday School Director's Workshop. This was a workshop where we learned the "what" and the "why" of preparation. The turn out was relatively small, but the response of the group was excellent.

In September the whole Assist Team led in teaching the new Basic Book series on Sunday School work that we had trained for in January. The response was excellent, as 59 enrolled for that study.

The study was culminated with a Curriculum Workshop. The Curriculum Workshop material is now available at the association office for the use of the individual churches if they are interested. The whole Assist Team is available for clinics, workshops, and consultations for any of our Sunday Schools that need our help. This is a joint project between God, the Baptist State Convention, and our Association to "Reach" and "Teach." That is the challenge of our whole convention, and is the heart of the "82 Here's Hope" and "8.5 by '85" campaigns.

Let us not only strengthen our Sunday Schools, but let us also "Reach" and "Teach" Jesus Christ to this county and state in the coming years.

Grady Edwards

14 Ron Copple presented the Church Training Report.

Church Training Report

This year "Basics of Discipleship" has been our emphasis in Church Training. We have focused for an entire year on personal growth and discipleship, beginning with the conversion experience followed by daily living with Christ using the Bible as a resource for growth, cultivating prayer life, growth in personal witnessing, not to mention many other studies to help us grow into mature Christians.

These studies helped to prepare and usher us into the "M" Night Theme: "Equipping for Personal Growth." "M" Night was held at Balfour Baptist Church on November 24, 1980. This year we had three groups. Gary Chapman was speaker for the adult group. Mr. Frank Newsome was youth speaker, and Big Foot, the clown entertained the children.

We were received very warmly by the host church and God's Spirit was in our midst.

According to our records we registered 121 attending and Balfour Church was recognized for having the most people present as well as the largest percent of their enrollment.

The Associational Children's Bible Drill, and Youth Bible Drill was held at Oakhurst Baptist Church on May 17. Mrs. Cindy Parker led the Children's Bible Drill and Mr. Charles Spivey led the Youth Drill.

In the Children's Bible Drill we had eleven participating who represented two churches as follows: 10 from Asheboro, First and 1 from Greystone. All 11 were associational winners and represented us in the State Tournament and won there also. Nan Johnson from Greystone and Holly Warrick from First Baptist were three year winners.

We had three participating in the area Youth Bible Drill from First Baptist Church. They all were winners and went on to represent us in the State Drill.

Rev. Ron Copple, was our Church Training representative at the Key Leadership Conference at Ridgecrest in May. Rev. Copple led our local Key Leadership Church Training Conference at First Baptist Church in Asheboro on May 25. He had just returned from Ridgecrest and was very enthusiastic and excited about Church Training. He shared vital information with us that he brought back from Ridgecrest.

On June 9, a Youth Rally was held at Forest Park Baptist Church. This Rally was led by the Apostoloi Team who sought to involve all the youth in our association.

Again, on August 14, Youth Night was observed at First Baptist Church, Asheboro, led by the Apostoloi Team. The purpose of this meeting again was to involve all youth in our association.

On September 28, Rev. Jim Simpson, Associate in Church Training Department, Baptist State Convention led us in a Church Training Workshop at the Associational Building. In this workshop Rev. Simpson presented the new materials, Equipping Center, Survival Kits, Master Life, Disciple Life, and regular materials to the Pastors and Church Training Leaders from the local churches in our Association. It was a very informative workshop. At this workshop we learned our emphasis will be on Church Growth for the year 1981-82.

This has been another year of challenge and opportunities for us in Church Training. God continues to bless us and for this we are truly grateful.

Thank you for your prayers and support that have made this year possible.

Respectfully submitted,
Mrs. Hazel McCollum

15 WMU report was presented by Toni Underwood, member Forest Park.

W.M.U. Report

Our Watchword this year has been "Commit thy way unto the Lord, trust also in him and he shall bring it to pass" (Psalm 37:5). Our WMU was very committed to this verse in starting the new year. In October we tried to reach a goal of one new member per organization by November. This campaign was entitled "10,000 more by November 4." We fell short of our goal but hope that churches are still working to add new members.

In December I had the privilege of speaking about Lottie Moon at the Clearview Church.

A group of 40 girls and leaders attended a G. A. activity in Lexington. Pam Gray, Peggy Owen and Frances McGee helped with the program there.

April was the month for Annual meeting which turned out to be a beautiful service. Two from our own Association, Mrs. Joel Lunsford, and Ms. Betty Simmons spoke on their volunteer work in missions this past summer. Mrs. Ann Smith from Pleasant Garden showed films and spoke of her mission work. There were approximately 70 people in attendance.

The new officers for the year were also installed that night. This was a highlight for WMU with all but two positions being filled.

The new WMU Director, Toni Underwood, attended the Key Leadership Conference at Ridgecrest and then led the Key Leadership Conference at First Baptist, Asheboro, in May.

There were 10 council members who attended the State Associational Leadership Workshop in Thomasville. Also four members of council went to WMU Week at Ridgecrest in August. The council then led a workshop for WMU leaders in September to help prepare for the new year.

WMU is an opportunity for women to find their own gifts and to help other women to discover their gifts as well — through leading learning and loving.

16 Presentation of the Brotherhood Report.

Brotherhood Report

As we look back on the past year as a Brotherhood Mission Organization we are grateful for the many accomplishments that were done but we are greatly aware that there were many things that we did not do to strengthen our Brotherhood program.

We were able to attend the North Carolina Baptist Men's Convention in Greensboro, November 8-9, 1980. The theme of the convention was "Growing-Giving-Going." We had some fine speakers like Jimmy Allen, past president of the Southern Baptist Convention. It was good to find out what the Baptist men of North Carolina are doing in Missions.

On January 25th we had a Baptist Men's Rally at First Baptist Church in Asheboro, which included a Bar-B-Que supper. Rev. David Weeks, Associational Brotherhood Director of the Dan Valley Association, and Pastor of Sharon Baptist Church in Reidsville, was guest speaker. We had 68 men present from 17 churches.

We went to Ridgecrest May 11-13, 1981 and studied Brotherhood work in N. C., what Baptist men are doing and how we can become more involved. I led the May 25th Key Leadership Conference at First Baptist Church, Asheboro, and related what I learned at Ridgecrest.

We have worked on the Disaster Relief Unit at Camp Caraway this year and hope to be through with it before the end of the year. Mr. Leroy Yates from Rockingham is the coordinator for this project. When it is completed it will have the capacity for serving 3,000 meals two times a day, a 1,000 gallon clean water tank, rest room, waste water storage, bunks for six people to sleep, C. B. and other equipment to keep in touch with law enforcement and other emergency agencies. The unit will have a generator, so it will be self-sufficient. We need men to train for service in this unit, so if disaster strikes, we will be able to move where it is needed. It will stay at Camp Caraway when not in use.

Our thanks to all the men who were involved this last year in Baptist Men's work. We hope more churches will be involved this coming year.

Respectfully submitted,
Bobby Poole

17 A. Judson Rotan, Director of Missions, presented his report.

Director of Missions Report

I am happy to report to you that this has been an exciting year in ministry with Randolph Baptist Association. I have been thrilled with the events and programs that we have had.

During the past associational year it has been my joy to be in thirty-six of the forty-three churches, either preaching, teaching, or visiting. The invitation to preach continues to be numerous and this reduces the opportunity to visit in many churches for their regular worship services. My ministry has been used through the associational building to the local churches, working with pulpit committees to leading workshops for deacons and Sunday School teachers. I have driven around 16,000 miles in behalf of our associational ministry.

Also, this has been a year of some special events.

1. In November, I went to Honduras with nine (9) other men from North Carolina in a mission work project, helping to finish a church in Santa Cruz and beginning a storage building for our missionaries. This was one of the greatest experiences of my life, seeing and sharing with people of another culture. I saw poverty at its worst. I will not be the same again. I want to thank Randolph Baptist Association for sending me on this short term mission project. I was able to show my slides in twelve churches, as I shared the experiences of this trip.
2. I attended the Directors of Mission Study Seminar in January at Southern Seminary, Louisville, Ky. This was a very helpful seminar.
3. In March I participated in a World Missions Conference in the Union Association, Monroe, N. C. This is always a great experience and an enrichment for my spiritual life.
4. In April, we conducted a three day Churchmanship Seminar at Balfour Church with video tapes of speakers.
5. This past summer, it was our privilege to supervise four college students - the Apostoloi Team, in their ministry to nine different churches. These college students shared in the youth ministry of these churches with drama, music, puppetry, Bible studies, recreation, retreats and worship. Around 500 youth were involved in this ministry.
6. I was one of two Directors of Missions from North Carolina that was invited to participate in a Foreign Mission Board Intensive Study Seminar at Ridgecrest, July 4-10, 1981. We spent thirty hours learning the purpose, philosophy and inter-workings of the Foreign Missions program. I was deeply impressed with this seminar. I learned much about our Foreign Missions program.
7. I also served as one of the missionaries at our state G. A. Camp Mundo Vista for two weeks this summer.
8. On September 16-19, I attended the National Conference for Directors of Missions at Ridgecrest, with twelve hundred other Directors of Missions and state convention staff. It was a time to look at the '80's and how we can reach more people for Christ and his church.

These are only a few of the many activities (big events) that I have been involved. There are many other activities that could be mentioned, but we have been faithful to the stewardship that the Association has given to me to do. Thank you for the privilege of serving you as your Director of Missions.

One final thing I want to mention is the renovation of our associational building. This is a big step this year for our association, providing additional rooms such as Conference Room, Work Room Library, Director of Missions Office and a Resource Center for our churches. I am really thrilled and happy for this renovation. We will be able to minister more effectively to the needs of our churches and the ministry of our association. Open House for the newly renovated associational building will be Sunday, October 25, 1981.

Let me remind you that I am available, I care, I want to inform you, and help you in your churches to strengthen your ministry. The Association exists for the needs of the churches. Call upon us. Let us continuously be a fellowship of churches on mission in our county.

- 32 Alton Cook gave the report of Ordination Committee.

Ordination Committee Report

The Ordination Committee of the Randolph Baptist Association is appointed to aid churches which wish to set apart certain people for the Gospel ministry. Whenever a church desires to ordain a person it may request the Committee on Ordination to act as a presbytery for the purpose of examining the candidate as to the candidate's fitness for the Baptist ministry.

If the candidate is found qualified and if the ordaining church wishes, the committee will assist in the ordaining of the candidate.

This year the Committee on Ordination received two requests. Macedonia Baptist Church asked that the committee examine Mr. Beauford Smith and Sophia Baptist Church requested that Mr. Curtis Johnson be questioned. Both men were approved by the Committee on Ordination and both men were ordained by their respective churches.

This committee urges each church to exercise great care in setting persons apart for the Gospel ministry regardless of what that ministry might be and we are at your service to lend any help that we can.

Respectfully submitted,
Alton Cook, Chairman

- 33 The House and Grounds Committee Report by Vernon McDaniels.

Building and Grounds Committee

1981 has been a year of activity and expenditure related to our Associational Office located on the Old Farmer Road. It has been the site of noise, paint, labor, and planning as the inside of the facility was renovated this summer to accommodate some long needed changes.

The decision to remodel the associational building was granted at the 1980 session and further voted upon, in detail, at the Executive Committee's meetings in February and May. Work was begun on June 1 with alterations on the upperlevel to include a conference room, a larger office for our Director of Missions, a separate media center, and an expanded work area for the office force and equipment. The lower level was altered to make the meeting room larger and more acceptable for general meetings. The total facility was air conditioned, carpeted, painted, and received new lighting. The project cost \$20,000.00. Ladies of the W.M.U took on the project of decorating the windows and appeals were made to the churches for additional funds for new office furniture and some appointments.

There was excitement generated throughout the association over this project and everyone who has seen the building has complimented its improved arrangement. The next goal is to improve the outside of the building and to maintain and improve the parking lot that is need of repair. The Building Committee has tried to be good stewards of the Lord's money in accordance to the wishes of our fellow Baptists. We believe our facility is adequate and functional and with these improvements should meet the need for Randolph Baptists for years to come. We wish to thank all of our churches for their admirable cooperation and for the spirit of unanimty that has led through this project.

- 36 Baptist Hospital Report presented by Billy Kincaid.

Baptist Hospital Report

During the past decade, life expectancy in this country has increased by three years, to 73.2 years. Important factors in this increase have been the development of new medical technology and the application of new medical knowledge gained through research.

Baptist Hospital has had a significant part in this developing knowledge and technology. During the past year, the hospital has expended more than \$3 million on technological equipment, including the installation of an 18-MEV linear accelerator for the improved treatment of patients with certain types of cancer. A new cardiac-catherization laboratory increases the capability of indentifying and locating heart problems. A cell saver, the first in North Carolina, contributes to the recovery of many surgical patients. This technology salvages the patient's own blood, cleans it and readies it for transfusion back into the patient in a matter of minutes — making transfusion faster and less expensive. The diagnosis and treatment of epilepsy has been greatly enhanced by the development of a video telemetry system which uses cameras to record a patient's physical symptoms during a seizure. This makes it possible to identify and classify a seizure, thus enabling the physician to determine the precise drug dosage needed.

The hospital's ministry has been aided by completion and occupation of the Focus Building. Other hospital space is undergoing renovation for more effective use.

Several staff members from the Medical Center have participated in short-term mission assignments during the past year — many of these in overseas areas.

The Department of Pastoral Care continues to provide a pastoral ministry to hospital patients and their families, individual and group counseling in crisis situations, clinical pastoral education in both crisis ministry and pastoral counseling, at several levels, and numerous events in Christian enrichment and development. The Minister's Care Plan continues in which the Baptist State Convention provides financial assistance for ministers and/or their families who seek pastoral counseling through one of the department's regional centers.

Again this year, our hospital has won awards in cost effectiveness programs, indicating our continuing efforts to keep our operating costs and patients charges as low as possible.

During the year, the hospital's charter revisions have been brought to succesful and satisfactory conclusion.

In 1980, our churches contributed \$457,459.56 to the hospital through the Cooperative Program, and \$353,397.73 through the North Carolina Missions Offering and designated gifts.

37 Bill Barnes presented the report on Baptist Homes for the Aging.

Baptist Homes For The Aging

As we look back over the past thirty years of ministry in our Baptist Homes, it is a real inspiration to see where we have been and to meditate on the many blessings that God has so richly bestowed upon us. He has brought us from one home in 1951 to a total of six Homes, an apartment complex, and a skilled nursing unit; from one resident to a total capacity for 300 persons in 1981. These have been good years, and God has used N. C. Baptists to bring this special ministry to older people a long way. Where we go from here is certainly, as always, in the hands of the Lord, but depends largely on where North Carolina Baptists want to go.

Quite frankly, we are at a standstill. Crippling inflation has caught up with us and is eating into the very vitals of our existence. We are still giving the same high quality Christian care to each of the residents in the six Homes, Nursing Care Unit, and the apartment complex. It is a struggle and a juggle between income and expenditures.

Building plans for a desperately needed 70-bed addition to our current Nursing Care Unit and the Hayes Home have been held up by regulatory red tape for years. Now that the state health laws have been altered to permit the building of these beds, it doesn't appear that we could wisely borrow the money at current interest rates.

Though 1980 gifts through our Cooperative Program and the North Carolina Missions Offering are a little more than \$550,000.00 (18% of all income), these gifts are not commensurate with our current population growth and the ministry support need of the Homes.

Two things are apparent. One, Baptists must be informed of our needs and do all possible to increase their gifts accordingly through the regular channels — the Cooperative Program and the North Carolina Missions Offering. Two, North Carolina Baptists must help us find ways of raising money for development and expansion to meet the needs of current residents and the needs of growing numbers of older adults.

The General Board of the Baptist State Convention has joined us in our concerns and has appointed a Special Study Committee to take a serious and close look at the financial needs of our Baptist Homes.

Jackson (Jack) S. Hoyle is the Director of Admissions of the North Carolina Baptist Homes. Mr. Hoyle is responsible for carrying out the necessary procedures for admitting individuals to the North Carolina Baptist Homes. Listed below is a general information regarding admissions to the Homes. Mr. Hoyle is always ready to answer specific questions regarding applications to the Homes.

Requirements for Admission:

- Age 65 or over
- North Carolina resident (with some exceptions)
- Physically and mentally capable of functioning in one of the Homes

Cost of Care and Payment Plans:

No one is denied admission to the Homes because of inadequate funds to pay full cost of care. The 1980 cost to live in one of the Homes was \$660 a month, \$7,920 for one year.

A resident may choose one of the four following plans:

- Pay by the month
- Life Expectancy Pay Plan
- Transfer of assets to supplement monthly income
- Monthly income supplemented by denominational funds

Nursing Care:

Due to a shortage of beds, only residents of one of the Homes or apartments can be admitted to the Nursing Care Unit.

Apartments:

Four duplex apartments are located on the grounds of Hayes Home in Winston-Salem. An initial payment of \$37,730 is required (amortized at \$1,800 annually). A maintenance and utility fee is charged each month.

Applications:

Applications for the Homes and Apartments may be received from: Mr. Jack Hoyle, Director of Admissions, North Carolina Baptist Homes, Inc., 2900 Reynolds Park Road, Winston-Salem, N. C. 27107.

We will continue to trust our Heavenly Father for his blessings upon the Homes' vital ministry to older adults. We will keep faith with Him and with N. C. Baptists and strive to give the highest quality care to reach each resident of the North Carolina Baptist Homes. We will believe that our future is as bright as the promises of God Himself and as sure as the love and devotion of North Carolina Baptists.

Reverend Bill Barnes

Baptist Children's Homes Report

The ministry of the Baptist Children's Homes in Piedmont North Carolina continues to grow and develop. This is made possible by the continuing support of many Christian friends. Vital to the work of the Homes is financial support through special gifts, the North Carolina Missions Offering and income through the Cooperative Program.

The Thomasville Family Services Center offers to residents in the 28 surrounding counties any and all services of our statewide ministry. Many of these services are actually located within these counties; group care at Mills Home, a specialized group home at Wall Home, Wallburg, emergency care at High Point and Burlington, a network of licensed foster homes, therapeutic camping in Moore County, social service offices in Hickory, Thomasville and Burlington, the Child Development Center and Family Resource Center in Thomasville, plus counseling and referral services.

During the past year an amphitheater has been completed on the Mills Home campus under the sponsorship of the Alumni Association. The therapeutic camping program of the Institution has been consolidated to make use of the Cameron Home near Vass.

Good things are taking place in our Baptist Children's Homes family across the State. Six Family Service Centers have been opened with three others in planning stages. Children are being provided temporary care in seven Emergency Care Homes. The Child Development Center in Thomasville continues to offer progressive demonstration preschool care as a model for North Carolina Baptist Churches. The Family Resource Center located in Thomasville is piloting a concept of continuing education for people across the State who are in the best position to assist families through a concept of preventive care.

Larry Sawyer and members of the staff of the Homes in Piedmont North Carolina are leading the program in a very fine way. In the words of Paul they can say "We are laborers together with God" (I Corinthians 3:9). Thank Him for this relationship.

Kermit Gray

Missions Report

The mission Committee is concerned that in our county almost one half of our people are unchurched. There are places in our county that need new work. We need churches that are willing to do mission work at home and sponsor a new mission in Randolph Association.

A recommendation was presented and approved by the Executive Committee that we seek to establish new missions in areas that do not have Southern Baptist work. This is needed in several areas of the county and sponsorship is badly needed to get this done. We desire your prayers in this endeavor.

Our association also needs some participation in the joint efforts with North Carolina Baptists joining to help West Virginia in their struggle to begin more Southern Baptist Churches and to strengthen churches already in existence. Our association needs to become involved in this great effort to help a neighboring state that has so many needs.

There are also needs to strengthen our own churches that our world wide mission program may be stronger.

Will you please pray that the Lord will send forth laborers to the harvest that is already white?

Respectfully submitted,
Carl L. King

- 47 Seminary Extension report presented by Alton Cook.

Seminary Extension Report

During the past year more than 10,000 persons enrolled in one or more Seminary Extension programs throughout the United States. This surpassed the enrollment of all six Southern Baptist Seminaries.

In North Carolina, the enrollment was 2,300. These people studied primarily in 75 centers throughout the state. Some of them enrolled in the Independent Study Institute. They enjoyed selecting courses in the Basic Curriculum Series and the College-Level Curriculum.

In Randolph County there are two Seminary Extension Centers. One is located in Liberty and one is in Asheboro. Some twenty people were involved in the two classes taught this past year.

As part of our state mission program, North Carolina Baptists help underwrite the cost of study with Seminary Extension through the Cooperative Program budget. This subsidy helps keep the cost per course within a range every student can afford. It also helps to explain why our state has enjoyed the largest Seminary Extension program in the United States for the seventh consecutive year.

The program includes other vital areas of work by establishing centers among General Baptists in cooperation with Shaw Divinity School. Last year General Baptists accounted for 1,026 registrations in Seminary Extension.

Also, classes are held for prison inmates in Women's Prison, Raleigh Columbus County, Buncombe County, and Orange County. Plans are almost complete for a class in Central Prison, Raleigh. During the two years this program has existed inmates have registered in 50 courses through the Independent Study Institute. Students have enrolled in 12 prisons.

See your Associational Director of Missions or Director of Seminary Extension for courses taught in your association.

Christian Life and Public Affairs Report

The Christian Life Council is concerned with a number of moral and ethical issues that affect the life of every Christian in our state. These include family life, problems of the aging, legislative activities in Raleigh, and world hunger.

Two years ago the Council on Christian Life and Public Affairs of our State Convention initiated the Legislative Information Net-

work to provide Baptists with accurate information regarding current legislation and to encourage Baptists to communicate to their elected representative opinions on current issues.

An interest in the problem of world hunger has grown among Baptists and a World Hunger Day has been set aside each year. Two pamphlets in the Light and Leaven series are available for churches to use in observance of this day. A special offering is received and sent to the Foreign Mission Board to be used by missionaries in countries where the need is the greatest.

Randolph Baptist Association will conduct a Family Life Conference in 1982 to encourage stronger family relationships and to minister to those families in distress. The Conference will be led by compassionate experts in the field of family life and training.

49 Historical Committee report presented by Elsie Hicks.

The Historical Report

This is the second year the Historical Committee has been in existence. You will find the following events that were taken from the annual letters. We would like to encourage the churches to report to the associational office or the Historical Committee events that are history in the churches. We have a brief history on each church where the Annual Session is being held this year. Please help us to keep a good history of our churches in this association.

1. Russell's Grove Church paid off the church debt, a 20 year debt paid off in four years and eight months. The note burning service was held January 4, 1981. They are in the process of remodeling their fellowship hall.
2. Clear View indebtedness was paid off April 28, 1981. The note burning service was May 17, 1981. We thank God for supplying our needs and a beautiful place to worship.
3. Riverside Church debt has been retired.
4. Mt. Pleasant Church has started a new sanctuary.
5. Macedonia Church held the Ordination of Beauford Smith to the ministry, and elected him as Director of Church Programs. Purchased a church van. Installed handicap ramp and sidewalks at church.
6. Union Grove helped build a church in McCook, South Dakota.

HISTORY OF ASBURY BAPTIST CHURCH

The Asbury Baptist Church was organized in October, 1926. The building had been abandoned by the Methodist, hence the name Asbury. From a very small number of charter members the church has grown to a membership of 318. In 1954, a building program was begun with the addition of a beautiful modern Sanctuary, and in 1980, a fellowship hall was built.

We are proud of our Church, the unity of our membership and the worship we enjoy, and being debt free.

HISTORY OF WHITE'S MEMORIAL BAPTIST CHURCH

White's Memorial Baptist Church was started as a brush arbor in the early 1900's. The Rev. Joe Dan Hackney did the first preaching.

Moor's Chapel Church (now Franklinville Baptist Church) saw the need for a mission point at this location. Organizational services were held the second Sunday in May, 1908.

Voting by ballot was held to select a name. White's Memorial received the biggest majority. It was named after the Rev. W. R. White.

The first building was a one room structure. Now it is a brick structure with a seating capacity of 325-350 people. It has twelve classrooms and two offices. A brick parsonage was built and a fellowship hall was added in 1980.

Thomas C. Keaton was called to serve as the first pastor. The present pastor is Rev. Jack Sherron who returned to serve in 1978.

50 Alton Cook gave the report on the Annuity Board.

Annuity Report

"Unprecedented Growth and Startling Change"

"Nineteen hundred eighty has been a year of unprecedented growth and startling change," according to Dr. Darold H. Margan, president of the Southern Baptist Convention's Annuity Board.

Key statistical highlights in 1980 included:

1. A 13th Check amounting to 10 percent of a year's benefit was mailed to annuitants who retired before 1980.
2. A total of \$21,059,479 in retirement benefits was paid.
3. Insurance benefits through the Board's church, agency and seminary programs amounted to \$15,955,965.
4. Total assets held in trust at the year end equaled \$806,518,757. This figure represented a growth of \$139,043,770 over 1979's total.
5. Premium income totaled \$87,938,590. including contributions and relief receipts. A total of \$42,121,138. was designated for the Fixed Fund, \$3,620,501 was earmarked for the Balanced Fund and \$11,063,513 went into Plan A. Insurance premium totaled \$24,863,894.
6. At the close of 1980, the Board counted 20,527 church and agency member accounts in Plan A, 47,701 in the Fixed Fund, 6,033 in the Balanced Fund and 3,376 in the Variable Fund.

DEPARTMENT OF RETIREMENT PLANNING

Baptist State Convention of North Carolina

In North Carolina as of March 31, 1981 3,114 staff members of 2,353 churches and associations are participating in the Southern Baptist Retirement Program.

Through March 31, 1981, we had processed the following:

- 70 — Southern Baptist Retirement Program applications
- 11 — applications for age retirement benefits
- 442 — upgrades

One of the most exciting and far reaching aspects of our work for 1980 has been the printing of and response to the study guide, *Planning The Rest of Your Life*. This booklet is available from our office for church staff members, small study groups and church families who wish to have help in planning their retirement years.

The church's response to upgrading the staff member's retirement program is most encouraging. Ten (10%) percent of his/her annual compensation (salary, housing allowance, auto allowance, etc.) should be the minimum.

ASSOCIATION

In Randolph Association 33 churches and 41 staff members are participating in the retirement program. Of this number 13 are still participating on the minimum of \$33.34 per month. There is a great need to upgrade this to 10% of total salary for staff members.

The Biblical Recorder Report

Faced with the same inflationary pressures that every family has these days, the *Recorder* has managed to get through another year without an increase in subscription rates. A church can still send the *Recorder* to resident families for only 7¢ a week per family, less than half the cost of a first class stamp and the best bargain in Christian literature to be found anywhere. Thus the *Recorder* is doing its best to hold the line by getting out a good paper at reasonable costs.

J. Marse Grant, Editor

- 51 Presentation of the Christian Literature report given by Hansel Neathery.

Christian Literature Report

Needless to say, the quality of our Baptist literature remains high. We need to keep in mind the three curriculum series for youth and adults — the Bible Book Curriculum Series, the Convention Uniform Curriculum Series, and the Life and Work Curriculum Series including Bible leaders (grades 1 and 2), Bible Discoverers (grades 3 and 4), and Bible Searchers (grades 5 and 6) materials. Each group of materials includes a teacher's quarterly, a resource kit, and a set of teaching pictures. Each group of materials also has three curriculum related items: a yearly recording of unit songs, a quarterly Bible study tape for workers and a quarterly teaching tape for children.

The Broadman Press which is the trade name of the general book publishing enterprise of the Sunday School Board of the Southern Baptist Convention has been busy again this year keeping us up to date by continually introducing new products. This year it has introduced 513 new items including 115 books, 1 motion picture, 25 filmstrips, 1 videotape, 61 audio cassettes, 2 slide sets, 4 tape tracts, 8 recordings, 7 choral or vocal collections, 4 choral works, 2 pieces of sheet music, 132 octavos, 4 instrumental parts, 23 instrumental collections, 12 cassettes, 1 8-track tape, 12 handbell pieces, and 99 new church supply items. During the same period, 254 old products were dropped by being declared out-of print or out-of-release. Those dropped included 88 books, 98 supplies, 27 audiovisuals, and 41 pieces of music.

Among the new books published, perhaps the most significant were Only The Beginning, The New Lottie Moon Story, A Theology for Children, How to Teach the Bible, Real Evangelism, and 4 volumes of Layman's Bible Commentary.

Broadman also entered the Vacation Bible School market for the first time, releasing materials for all age groups preschool through adults.

On January 2, Broadman assumed the publishing of two H. I. Hester books, The Great Heart of the Hebrew History and The Heart of the New Testament which is a major addition to the line.

Thus, may we ever be grateful to our heavenly Father for our dedicated writers and publishers who supply us each year with so much Christian literature of the highest quality.

- 51 Mrs. Clara Goodman presented the report on Appreciation.

Appreciation Committee

The Psalmist said in chapter 133:1, "Behold, how good and how pleasant it is for brethren to dwell together in unity!"

We, too, as the Appreciation Committee thank our God for this unity we feel and see in our association.

We thank God for our Director of Missions, our moderator and all who had a part in planning and bringing this session together.

We are thankful for the guest speakers and for their dedication of their lives in our Lord's work and service. Our lives have been touched and highly blessed and challenged. And we thank you!

Our host churches, White's Memorial Baptist and Asbury Baptist and their pastors, we appreciate all your kindness and beautiful Christian fellowship and food.

And we want to thank God for the unifying influence of our Association that brings us together for this our 47th Associational Meeting.

Respectfully submitted,
Clara Goodman

Evangelism Report

All baptist are urged to participate in the Joint Evangelistic Crusade in 1982. The Theme will be "Here's Hope." Interpretation Meetings have been held across the state to suggest plans and basic thrusts for the Joint Crusade effort, which is co-sponsored by the Baptist State Convention and General Baptist State Convention. The Simultaneous Revival dates for the areas are: Coastal — March 14-28; Piedmont — April 4-18; and Mountain — April 25-May 9, 1982. Every church is encouraged to plan a revival meeting during one of these suggested dates. Let us pray daily that every unsaved person in North Carolina will have the opportunity to hear the gospel of Christ by the end of 1982.

Churches are urged to have Lay Evangelism Schools in preparation for the '82 Joint Crusade. Master copies of transparencies to be used in teaching Lay Evangelism Schools were sent to all Directors of Missions. 73 associations have a trained Coordinator of Lay Evangelism Schools who will train other pastors in the association.

"Prayer and Awakening" was the theme of the 35th Statewide Evangelism Conference held February 2-3, 1981 in the Thomas Wolfe Auditorium, Asheville Civic Center, Asheville, North Carolina. About 2,400 pastors and lay persons attended this Conference.

Most of our associations have been involved in Bold Evangelism Clinics, encouraging church leaders to plan specific, on-going programs of evangelism in the local church, with the use of the note-book, *Bold Evangelism through the Local Church*. The other associations are asked to plan a Bold Evangelism Clinic, and churches are also urged to enlist a Local Church Task Force on Evangelism to involve more members in direct witnessing to unsaved persons.

Some of the associatins will be meeting before the dates of August 28, 29, and 30, but on these three nights, thousands of youth will be involved in our three Youth Evangelism Conferences. This is a first as, heretofore, we have had only one Youth Evangelism Conference. On August 28 the Conference will be in Fayetteville; on August 29, in Greensboro, and on August 30, in Asheville. We thank God for these three wonderful evangelistic opportunities and for what we believe He is going to do in these three services.

The Youth Evangelism Leadership Conference has rapidly become a major intensive equipping time for pastors and youth leaders. Key areas of the Conference are Personal Growth of the leader,

youth witness training and discipleship, and equipping adults to minister to youth. During the 1981 Conference, October 5-7, at Camp Caraway, Jack Taylor is the inspirational speaker.

Baptisms were up last year! Praise God! While it is too early to know, we all pray that North Carolina Baptists are recapturing the desire and commandment of the Lord to "feed my sheep." If so, we shall surely continue to see more persons led to receive Christ as Lord!

The 36th Statewide Evangelism Conference will be held in Greensboro during February 8-9, 1982.

On April 1, 1981, W. C. Lamb became Evangelism Consultant of the Hawaiian Baptist Convention.

The fall of 1981 found many of our sister churches preparing for the 1982 Joint Evangelistic Crusade. We look forward and encourage others to join in participation and receive the blessings that God will send. Preparation always promises a harvest and this is exactly what Randolph Baptists need: a harvest of souls!

Vernon B. McDaniel

Cooperative Program Report

This year the Cooperative Program will celebrate its 56th Anniversary. This represents fifty-six years of cooperatively sharing Christ with the world. Baptists have learned that we can accomplish more by working together in such a spirit of love and sharing. Through the years the Cooperative Program has become a united and continuous appeal for many causes, cutting out the need for many special offerings, and giving a day-by-day support for Baptist work.

During these days of an uncertain economy, each church is challenged to reaffirm its commitment to the Cooperative Program as our primary channel of mission support. The work of Christ must go on during good and bad economic times. We must proclaim Christ Lord to everyone under all economic conditions.

Our churches have rallied to our mission causes, for today the Cooperative Program is six percent ahead of the end of June in 1980. We are moving forward. This year's proposed Cooperative Program budget will top \$20 million; almost twice the \$11 million CP budget for 1976, the base year for doubling the budget under the Bold Mission program.

We believe that the Cooperative Program was and still is God's plan for Southern Baptist to carry out the Great Commission to reach every person in the world with the saving message of Christ. Under God, Baptists can and will continue to move forward under any trying economic conditions. Thus, His joy will become ours.

F. G. Alford

Guiding Principles for the Work of the Missions Committee of the Randolph Association.

1. The Committee is to seek to discover areas where new work is needed and to lead in the sponsorship or establishment of new work to meet present need or the securing of property by a local church and/or the Association in the anticipation of future need.
 2. All new work does not necessarily need to be nor should be intended to become an organized or constituted church. New work may be started and maintained on the basis of a mission to meet particular needs (This provides for institutional missions such as jails, prisons, rest homes, etc.).
 3. The location of missions or new churches shall be determined by the need revealed in an adequate survey conducted by the Missions Committee and local interested groups or churches.
 4. Any church, committee, group or individuals considering beginning new work, acting with or without church sponsorship, should approach the Missions Committee for guidance before having any service or choosing a temporary or permanent location.
 5. The Missions Committee shall institute basic, understandable operational procedures and practices for a mission that leads in establishing and strongly urges that each church establishing a mission does the same. Any church desiring to ordain a brother to the ministry may request the Ordination Committee to act as a presbytery for the purpose of examining the brother according to the guidelines found under Duties of Ordination Committee.

Section 3. The churches are urged also to exercise the utmost care and wisdom, earnestly seeking the guidance of the Holy Spirit, in calling of their

pastors, choosing only men who give evidence by their Christian character, cooperative spirit and leadership ability, that they will serve the best interests of the churches, the denomination, and the cause of Christ.

NEEDED MONTHLY — \$4,290 for 1983 Budget.

17. Vacation Bible School and Sunday School report by Kermit Gray.

SUNDAY SCHOOL REPORT

Sunday School this past year has sought to prepare us for better teaching and a greater outreach through the Sunday School.

1. In September we held Sunday School Leadership Conferences at First Baptist Church, Franklinville, and Greystone Baptist Church where our ASSIST (Associational Sunday School Improvement Support Team) led us in a study of "How to Guide Youth," and "How to Guide Adults." There was also a conference for general officers and pastors.

2. On March 14-15, 1983, we will have a study of the Book, *Jesus, The Teacher*, led by David Goodroe, Minister of Education at First Baptist Church,

Burlington. The study will be at First Baptist Church, Asheboro. We hope to have every person who works with any age group in Sunday School, Church Training, W.M.U., Brotherhood, Church Music to be involved in this study.

3. September 17-25, 1983, are the dates for our SUNDAY SCHOOL ENLARGEMENT-ENROLLMENT CAMPAIGN. Rev. Marvin Chapman will be the Coordinator and there will be a guest director in each participating church. The first presentation meeting will be on Monday, January 31, 1983, at the Associational Office, at 6:30 P.M., with supper provided.

4. A Sunday School Leadership Conference for the study of "How to Understand Preschoolers," "How to Understand Youth," and "How to Understand Adults," will be held during 1983, at a date to be announced later.

5. 8.5 by '85 is a slogan we will be hearing much about during the coming years. It is a promotional effort to enroll 8,500,000 in Sunday School in Southern Baptist Churches by September 30, 1985. Each church is asked to set their goals and be working toward them now. North Carolina Baptists have added more significance to the goal by adopting their own goal of 855,000 enrolled in North Carolina Baptist Churches by September 30, 1985.

If your Associational Sunday School Team (ASSIST) can help you in your church, please feel free to call on us.

18. Bro. Ron Copple presented the Church Training report.

CHURCH TRAINING REPORT

Church Training is the organization assigned the task of helping church members, new church members, and church leaders (also potential leaders) grow in their Christian discipleship. The Church Training program does not compete with other church programs, but when properly administered, enhances the total work of the church.

The Church Training Program has responsibility for teaching in five major content areas. These are: Christian Doctrine, Christian Ethics, Christian History, Church Polity & Organization, and skill development (in performing the function of a New Testament church).

On November 23, 1981, our "M" Night was held at First Baptist Church, Liberty, with sixty-two persons present. Nine churches were represented with six pastors attending. Our Theme for "M" Night was "Equipping For Church Growth." We held a joint service with Rev. Roger Mercer bringing an inspirational message.

On May 10, I represented Church Training at the Key Leadership Conference at Ridgecrest. Many new ideas were introduced at this conference.

The Children's Bible Drill was held on May 23, 1982 at Greystone, and our winners represented us in the State competition held at Asheboro, First.

Ruth Prince, Consultant in Church Training Department, Baptist State

Convention, led us in a Church Training Enlargement Campaign. On May 16, 1982, there was a Sunday afternoon meeting with all churches invited to attend. Ruth presented to us the programs available through our Church Training Department, the emphasis being on stimulating churches who had not recorded a church training program in the past. While in our association, Ruth had opportunities to speak at the Pastor's Conference and in two of our churches.

July afforded me the opportunity to spend the week of the 11th through the 16th at Ridgecrest during Church Training Week. There I received inspiration and information concerning the upcoming year's work in Church Training. I would personally like to express my thanks to the Association for allowing me this privilege.

As we look forward to the coming year in Church Training, my goal for the Association is that we continue to stimulate interest in churches that have not reported Church Training in the past, and also to increase the use of "Survival Kit" for new Christians in churches who are in need of a good tool to equip new believers.

We look forward to working with you in the coming year. Please let us help you by informing us of the particular training needs of your church.

Respectfully submitted,
Ron Copple, Director

19. The annual Brotherhood Report was given by Bobby Poole.

BROTHERHOOD REPORT

When we look back at what was done this past year, our purpose was to help our brotherhood mission organization in our churches to improve their work with mission involvement.

I was able to attend the Baptist Men Convention at Greensboro, October 31-November 1, 1981. We had some good speakers. One outstanding speaker was Dr. Keith Parks, Executive Secretary of the Foreign Mission Board. He spoke at the Sunday morning prayer breakfast at Hilton Hotel.

One of the events we had in Randolph Baptist Association was our Brotherhood Rally at First Baptist Church of Asheboro, in their fellowship hall. This was a Bar-B-Que supper in which 90 persons registered from 15 of our churches. Others came in after the meal, which gave us over 100 persons present. David Langford, new Director of Brotherhood Department, Baptist State Convention, was our special guest speaker.

On March 15, 1982, we had a Brotherhood Leadership Training at the Associational Office. We studied the book on Mission Support.

I went to Ridgecrest, May 10-12, 1982, for Key Leadership Conference. In the Brotherhood Conference, we studied plans for 1982-85 and how we can make our church brotherhoods better. Also, we learned what our state Brotherhood Dept. has to offer to the association and churches. Mr. Langford shared with us how the Brotherhood and Woman's Missionary Union would work closer together in the future.

On May 27, we had a workshop for Brotherhood leadership in the churches. Rev. David Weeks, Brotherhood Director of the Dan Valley Association and pastor of the Sharon Baptist Church, Reidsville, N. C. led the Baptist Men

Conference. Rev. Marion Rector, pastor of Crestwood Baptist Church, Winston-Salem, N. C. led the Royal Ambassador leaders.

It was my privilege to lead the Key Leadership Conference for Brotherhood leadership for the association, held at First Baptist Church, Ramseur, N. C., July 12, 1982. I shared the information we received at Ridgecrest for the state-wide Key Leadership Conference.

We had another workshop for training the Brotherhood leadership in our association on October 11, 1982 at Oakhurst Baptist Church, Asheboro, N. C. The Brotherhood Department of the Baptist State Convention led in this workshop. There were leaders for Baptist Men, Pioneers, and Crusaders. For Baptist Men the main thoughts were on How to Start a Baptist Men Organization in their churches. Also, they gave ways of strengthening or improving the organization for those churches that have Baptist Men Organizations.

Already, we are making plans for 1982-83. There will be a Brotherhood Rally in the spring, 1983. Two workshops are planned for 1983, one in the spring and one in the fall.

Please call upon me if I can be of help in your church concerning Baptist Men's work or training.

John Underwood, a member of Forest Park Baptist Church, is our Associational Royal Ambassador Director. He is available to help churches start R. A. groups and to train Counselors of R.A. groups. His home phone is 498-7990. His mailing address is:

WMU ANNUAL REPORT

During this year, we completed a four year emphasis on "Life-Changing Commitments." Our watchword for the year was Isaiah 6:8, "Also I heard the voice of the Lord, saying, Whom shall I send, and who will go for us? Then said I, Here am I; send me". The hymn of the year was "Send Me, O Lord, Send Me".

There were many opportunities for training available to the Associational WMU officers. Four of our ladies attended the Early Associational Training conducted by our state leaders in the spring. I represented our WMU at the Key Leadership Conference at Ridgecrest, May 10-12. Four of the officers attended WMU at Ridgecrest, August 7-13. Nine of our officers attended the State Associational Training in High Point on August 21.

As a follow through on the training we received, we offered several training events to the church WMU leaders. On February 1, we had a Mission Action

Workshop at Balfour. Several community service agencies came and shared their programs and needs with us. There were approximately 50 people present. On April 3, a G.A. Leader Manual Study was conducted at the Associational Office. We held a Key Leadership Conference at Ramseur, First on July 12. During this meeting, we introduced you to the emphases and goals for the coming year. Our annual "Fall Conference" was held on August 28th at Russell's Grove. This was a five hour session and included a manual study of each age-level leader. There were 41 in attendance.

Several special events took place during the year. During the fall, an Acteen Member Handbook Study was conducted. On March 6th, there were a G.A. Home Mission Study at Oakhurst. There were 27 in attendance and two bags of groceries were collected and given to the Women's Aid Shelter. The State WMU Meeting was held in Greensboro on March 19 & 20 - the theme was: "Send Me". Our Associational WMU Annual Meeting was held on April 26 at Franklinville, First. The theme was: "God's Call - My Response" and our guest speaker and Mrs. Bea McRae, State WMU President. There were approximately 100 in attendance. On May 1, our G.A.'s joined with the G.A.'s from the Liberty Association for a G.A. Day Camp at Mundo Vista. There were a total of 266 present (61 girls and 19 leaders were from Randolph Association).

As an Association, we joined in on several projects during the year. Our WMU contributed around \$550.00 to be used to purchase new draperies for the Associational Office. We sent \$128.00 to be used to purchase draperies to the N. C. Ladies Correctional Center in Raleigh. We helped purchase stacking chairs to send to Fairmont, W. Virginia.

The Associational WMU earned recognition as a Distinguished organization based on the Achievement Guide as set out by the WMU, SBC in the WMU Year Book.

MUSIC REPORT

This past year could have been classified as a year of beginnings for the music ministry of Randolph Association, and a great beginning it was.

First in beginning was "A Festival of Praise", an adult choir festival which saw the participation of one hundred singers from six different churches. Each choir presented two selections of it's choice and everyone sang "Praise God Ye Sons Of Earth" in a mass choir.

Second in this year of beginnings was the "Music Evangelism Rally". This was a joint venture between the Association's evangelism and music divisions. This program featured evangelistic music presented in solos and duets by David and Theresa Thomas. Charles Storey, Music Associate for the Baptist Convention of North Carolina, was unable to participate in this program due to illness.

Third in beginning was the "Associational Older Children's Music Day Camp", a week long day camping adventure which saw the participation of twenty-six fourth, fifth and sixth graders from six different churches. The campers met at First Baptist, Asheboro, each day, Monday through Friday, from nine till noon and rehearsed the musical, "Moses and the Freedom Fanatics". On Friday evening of that week the children presented this musical from memory to their parents, friends and respective church families.

This year was a year of beginnings, not an end in itself, but the springboard for future music ministry in Randolph Association. Hopefully, you and your church will become involved in this vital and growing ministry in the year ahead.

22. Bro. Terry Chitwood gave the report on YOUTH.

YOUTH WORK OF ASSOCIATION 1982-83

We're delighted that there is a growing concern for youth on an associational level. The majority of our churches are smaller churches who cannot afford full time staff in the area of youth. It's my desire to provide training, resource information, activities, etc. for youth in Randolph County. It will take a concentrated effort on the part of pastors and/or leaders with responsibilities for youth to co-ordinate these efforts.

Our plans for this year include several youth leadership conferences where methods, material and advice will be available for lay-leaders as well as staff leaders.

In November (12th and 13th) we will have the first ever Associational Youth Retreat at Camp Caraway. A very special guest will be there for the event which will include recreation and re-creation!

It's my desire to have more events of this nature to offer our young people quality events to grow in Christ Jesus.

March will be the month for our Youth Week emphasis and our Youth Night activities.

In April (17th) there will be a Youth Missions Rally at Caraway in conjunction with our World Missions Conference.

These are only a few of the many possibilities for youth of Randolph County in 1982-83.

In Christ,
Terry Chitwood

23. The Director of Missions, A. Judson Rotan, presented his report at this time.

DIRECTOR OF MISSIONS REPORT

It is my joy to report to you that God continues to bless the ministry of our association. I felt this year has been another good one. Associational leaders, pastors, and lay-leaders in the churches have cooperated with us in our work together. We give God the praise for all that has been accomplished and for the challenges that presently face us.

During the past associational year I was in thirty-eight (38) of our forty-two (42) churches, either preaching, teaching, leading a conference or workshop, or visiting. The joy of preaching in many of our churches is exciting and I am very grateful for the opportunities. My ministry to Randolph Baptist Association has carried me over 20,000 miles to our churches, meetings within the association and conferences outside the association in which I attended for the effectiveness of my work as Director of Missions. Ministering to our churches and association has found me in many roles, such as pulpit committees, sharing in pastor's conference, counseling with pastors and church leaders, attending Brotherhood and WMU Conferences and many, many, other ministries among our churches and the association.

Some of the special events were:

1. Attended a Director of Missions Conference at Southeastern Seminary in Jan.
2. Traveled to Fairmont, West Virginia with Cecil Johnson, Carl King, and Leland Bingham to survey the possibilities of helping the First Southern Baptist Church construct a new building, and to see how our association can be involved.
3. Sharing in the planning of "Here's Hope" Crusade in our association. It was my joy to preach in two of our churches for a week each during this crusade.
4. I was involved with the Greystone laymen in a work project for three days in Fairmont, West Virginia during June.
5. Spoke at Southeastern Baptist Seminary, June 24th to thirty potential Directors of Missions on the topic. "Serving Small Churches as a Director of Missions".
6. I attended the Director of Missions state conference at Wingate College during July.
7. I was one of the missionaries at Mundo Vista, sharing with 200 G.A. girls during a week in August.
8. I attended the Home Missions Week at Ridgecrest in August, sharing and participating in the Director of Missions Conference.
9. During the last week in September I participated in a World Missions Conference in the Carolina Baptist Association, around Hendersonville, N. C., speaking in a different church each night.

Oh, there are many other activities and events that makes my work varied and exciting that could be mentioned, such as administration through the associational office, planning programs and promoting the events, publishing the newsletter to 650 persons per month, the average of 200 letters that we write and mail each month to associational leadership and related programs, and then being faithful to the stewardship that the association has given to me to do.

The two big events this past year that we believe were successful were:

1. **"Here's Hope Crusade"**, in which twenty-four (24) of our churches participated. Weeks of preparation and prayer were put into this crusade. We pray we shall see the results in the months to come.
2. **Christian Family Life Conference**, held at Balfour Baptist Church, October 4-5, 1982. Over 160 persons participated in this two night event. Conferences were held for all age-groups. In the adult group, there were conferences for Singles, Parenting, Married Couples, and Senior Adults. Outside guests led in these conferences. There was around 15 churches represented at this conference.

There are three (3) concerns and challenges that I would mention about our ministry. 1. Growth pains have developed in our association over the past several years as we have adopted expanded programs and mission project involvement, but finances did not come in from our churches to support the expansion. As a result, this past year has been a financial crisis. My prayer is that churches will help us to minister more effectively in the months ahead with increased gifts to the association. The suggested goal is 3% from each church. 2. In two years Randolph Baptist Association will be fifty (50) years old. I would encourage our churches to join us in preparing for a great celebration of our 50 years in 1984. We shall recommend a special committee to begin planning for this time in our association. There is much to be gained by remembering our history. Let's join together as Randolph Baptists in this celebration during 1984. 3. The challenge of missions is always before us. It is our mandate from the Lord. So let us "go into all the world, and make disciples". Let us continue to find areas of need in our county and be willing to minister to them, as well as in other areas outside our county. My prayer is that we will see some new missions and churches rising up in our county and more involvement of lay-persons in mission projects outside of our county.

As I visit around with our churches and its members, it is thrilling to be a part of a group of churches who are excited about being on mission for our Lord. My prayer is that we will become more and more involved in that mission.

Thank you for letting me serve the Lord Jesus Christ with you.

In Ministry,
A. Judson Rotan

BUILDING AND GROUNDS REPORT

1981 was a year of preparing and expanding our associational building for use with all of our programs and committees in a more appropriate manner. 1982 has been a year in which the alterations and expansion of 1981 has been enjoyed.

Each time the building is used there have been comments related to its function and its beautiful interior. Due to the economy in 1982 and the strained budget of the churches and the association we have not been able to proceed with building expenditures slated for the parking lot and outside painting projects. It is our hope than 1983 will allow us to make the outside improvements that will enhance the beauty and function of our associational facilities.

Vernon B. McDaniel

36. Evangelism Committee report was given by V. McDaniels.

EVANGELISM REPORT

1982 has been an exciting year for North Carolina Baptists in the area of evangelism. Two wonderful things happened in the early part of 1982. The North Carolina Baptist State Convention secured J. W. Hutchins from Virginia to become the Director of our Department of Evangelism. He is a man of insight, wisdom, and enthusiasm and is already making headway among the Baptist of North Carolina in an area where we had been in a state of decline. Many of his ideas are new and exciting and they are like a fresh wind sweeping across our state. It is our hope that new areas of witness will be realized and utilized as he directs our extended efforts to sow the seed of the Word in the hearts of the people in North Carolina.

The second exciting thing that has happened in 1982 was the joint effort between the North Carolina Baptist State Convention and the General Baptist Convention in the "Here's Hope" campaign that took place in our state in the spring. Hundreds of Baptist churches in both white and black communities experienced the best revivals with the most exciting outreach that they have had in years. The results of the "Here's Hope" campaigns is difficult to measure. Some churches experienced high numbers of additions while other churches only experienced revitalization of spirit and enthusiasm and burden for the communities in which they were found. These two events have served like a shot in the arm and will help North Carolina Baptists in the cause of Bold Mission Thrust to become more serious about reaching the people of North Carolina with the gospel of the Lord Jesus Christ.

In Randolph Baptist Association the Evangelism Committee tried a new approach for its Annual Evangelism Rally. Instead of having an outside preacher and a preaching event, Mr. and Mrs. David Thomas, of First Baptist Church presented, in March, a concert of evangelistic music. About 200 people enjoyed a full hour of exciting music that inspired and thrilled the listeners with the call and the seriousness of reaching people for Jesus Christ. It was held prior to most of the "Here's Hope" revival meetings in our sister churches. It was intended to be a rally, a point of inspiration, so that our own people could receive the impetus for reaching more people for the kingdom of God. We are indebted to have such accomplished musicians in our association and we are grateful that Mr. Thomas is our Associational Director of Music.

The 37th Statewide Evangelism Conference will be held in Owen's Auditorium in Charlotte on February 7-8, 1983. Some of the speakers for that event will be Landrum Levell, Wayne Ward, Bo Baker, Frederick Simpson, Joe Ford, and Dick Baker.

1983 will mark a new opportunity for pastors and staff people to become involved in MasterLife Training that will be held at Caraway Conference Center on March 7-11, 1983. MasterLife Training is an intense program of discipleship training for lay people of the local church. It will provide an ongoing and ever expanding number of people in the local church who are committed to following Christ and committed to witnessing as a lifestyle.

Projections have been made for an evangelism strategy for the North Carolina State Baptist Convention to reach more people for Christ between the years 1983 and 1992. Listed below are the strategies and the emphases for each year:

- 1983 — Growing an Evangelistic Church
- 1984 — Revival Training Seminars
- 1985 — Witness Training — CWT (Continuous Witness Training)
- 1986 — Statewide Crusades
- 1987 — Target Group Evangelism
- 1988 — Seminar on Evangelism
- 1989 — Partnership Evangelism
- 1990 — Equipping Evangelism
- 1991 — Witness Training (1-2-1)
- 1992 — Cooperative Evangelism

The above strategies will provide an ongoing program for evangelistic involvement on the state level and on the associational level as information material and opportunities are provided for Randolph Baptists to become involved year by year with the commitment to reach people for Jesus Christ.

Respectfully submitted,
Vernon B. McDaniel

37. The Director of Missions asked for permission to have a special celebration for the Association on its fiftieth year, which is coming up. Approved.

Since there is much to be gained by remembering our history, I would recommend that we have a special celebration during our annual meeting in 1984, for our 50th Anniversary.

— that a special committee of six persons be elected in the February Executive Committee, 1983. This committee would be selected by this year's Committee on Committees.

— that this committee serve for two years or through the special celebration in October, 1984.

— that this committee work along with the Historical Committee in preparing historical information for this 50th Anniversary, and with the Time, Place and Preacher Committee in regards to the place and time of the celebration.

I so move, Mr. Chairman.

Respectfully submitted,
Judson Rotan

38. Mr. Carl King presented the Missions Committee report.

39. Speaking to the Missions report was Charles Whitlock, pastor of the First Southern Baptist Church of Fairmont, W. Va.

MISSIONS COMMITTEE REPORT

The Missions Committee has been pretty busy this year and appreciate your prayers. We as an Association have been paired with the Fairmont, West Virginia Area. And last year we had two persons from that area meet with us in the Annual Meeting. They only had a few minutes on the program but we talked with them after the meeting. We received some information from them and later four persons from the Association traveled to Fairmont and visited

with Rev. Don Walls and Rev. Whitlock, the Area Missionary and the Pastor of Fairmont First Southern Baptist Church. Then we were made aware that money was needed to be of financial help to them. Then we started the Mission Action Plan (MAP) in order to raise some funds to help the churches in West Virginia and also to have a little money for missions in Randolph Association. We have not raised as much money as we had hoped for, but we are now sending \$200.00 per month to help support a young preacher and church planner in the town of Mannington, West Virginia. The Fairmont First Southern Baptist Church is supplying a like amount and the Home Mission Board is also helping financially in this mission. Rev. Steve Waddle and wife, Frances, are on the field.

We have had two or three groups go to Fairmont Church and help in the construction of their new building, and there is still some help of this kind needed. We are pleased to announce that our plea for money to buy chairs for the Fairmont Church has been very successful and the chairs have been bought, paid for, and delivered to Fairmont Church. We thank you for such a good response for this cause. We need several additional members of MAP, however, and I am sure you can get the information about membership from any member of the committee or associational officer.

We have not been able to accomplish what we wanted to in the Association as yet. We had hoped by this time to have a Mission going in the Randolph Association but that is not the case as yet. We have had a few set backs this summer in this endeavor. Will you please remember this effort in prayer as well as Foreign and Home Missions? Thank you for your prayers and your contributions for missions, both at home and around the world.

WEST VIRGINIA PROJECT

Last year our Association voted to participate in the Mountain 200 Project through our Baptist State Convention. We were assigned to work with the First Southern Baptist Church of Fairmont, West Virginia. They requested three things.

1. Help in constructing their new building, volunteers and financial.
2. Needed 150 stacking chairs for their building.
3. Assistance in other areas of work, equipment, mission opportunities.

WORK PROJECT:

Since May we have had three groups to go to Fairmont, to help in the constructing of the building. There were a total of twenty-four men from Asheboro, First Baptist and Greystone churches who went for a weekend or three days during the week. These work groups put up sheetrock, ceiling tiles and other inside work to help finish the church. The congregation had its first service in the building on Sunday night during Labor Day week-end, September 5, 1982. We are grateful for those men in these two churches who are willing to go and share their time and skill with this church in West Virginia.

STACKING CHAIRS BOUGHT

A special project and effort in May by the Missions Committee of the Association to purchase 150 stacking chairs was successful. Eighteen (18) churches, individuals, or groups gave \$2,600.00 toward the purchase of the chairs. The chairs were ordered on July 14, and delivered during the middle of August. These stacking chairs will be used in the auditorium of the new building of First Southern Baptist Church, Fairmont, West Virginia. At present, the auditorium will be used for multi-purpose functions related to the church. We are grateful to those churches and groups who responded to this request.

MAP

MAP stands for Mission Action Project. It was created and established by the Missions Committee of the Association as a way to minister through our Association in developing new work on mission points in Randolph County and assisting in mission projects in West Virginia or other outside areas. To be a part of MAP, a person agrees to contribute \$50.00 each year over and above his regular contributions to his/her church. The goal of the Missions Committee is 400 persons participating each year. Twice each year an invitation goes to a person to contribute \$25.00 (usually every six months). As of October 10, there were only 58 members.

One of the first projects the Mission Committee decided to do was to assist the First Southern Baptist Church, Fairmont, West Virginia in Pastoral Assistance for their mission at Mannington, West Va., around 25 miles from Fairmont. At the present, we are sending \$200.00 per month. We began in July. \$800.00 has already been sent. The total for this year, 1982, will be \$1,200.

Also, there were some surveying and Backyard Bible Clubs conducted in several areas of our county this summer in search for potential missions or new work possibilities. Funds from MAP helped in these efforts.

As of October 15, the balance in MAP Fund was \$1,459.83. MAP is a worthy effort for our people. Others are encouraged to be a member of MAP. This is our way as Association to reach out to others in love and concern.

40. Hymn No. 281 "We've A Story to Tell" led by David Thomas, with Mrs. Cook at the piano.

41. Video Tape Presentation of the work of the State Convention.

42. Mr. Bill Barnes presented the report of the Homes for the Aging.

BAPTIST HOMES FOR THE AGING

The past year in our North Carolina Baptist Homes has been a good one. We have had 45 persons admitted to the ministry of our Homes and apartments. This represents 98,065 days of special care for an average daily population of 269 persons. The Lord's blessings continue to be poured out upon us.

Great things are in store for our Homes as we look to the Lord, to North Carolina Baptists, and to the future! The Trustees made a decision of far-reaching significance at their May meeting in approving a Capital Funds Campaign. The existing needs at the Hayes Home and Nursing Unit in Winston-Salem present a primary challenge of this campaign. With success, we

will be well on our way to adding much-needed nursing care beds, and resident rooms. We will also be able to provide much-needed upgraded services in relation to our present Nursing Unit, and also construct a desperately-needed Administration Building. We covet your prayers for the success of this effort.

Our major concern presently in our Homes' ministry is in regard to our benevolent care, assisting those who need supplementing financially. Gifts through the Cooperative Program and the North Carolina Missions Offering go a long way in undergirding those who cannot pay the full cost of care. These gifts, totalling \$516,804.00, provided 57% of benevolent care. The many residents who will be looking to the Baptist Homes' ministry for their care and the 43% short fall in mission gifts will place increasing demands on the already over-taxed benevolent funds. Also, many persons on the Homes' waiting list who cannot pay the full cost of care may have a long period to wait because of limited benevolent funds.

We believe, therefore, that if you know the need, you will respond to it by the increasing support that you will give through the Cooperative Program and through the North Carolina Missions Offering. We will be looking to the Lord and to you to help us continue to be the benevolent ministry that we have always been.

We love you, and thank you for your love, your gifts, and your prayers. As Abraham was about to deliver the fatal blow to his son, Isaac, he asked, "Father, where is the sacrifice?" Whereupon Abraham replied, "God will provide!" And so He did! And so, we believed that you will provide!

Respectfully submitted,
Bill Barnes

43. Rev. Bill Kincaid gave the report on the Baptist Hospital.

NORTH CAROLINA BAPTIST HOSPITAL REPORT

Believing that North Carolina Baptists have a right and responsibility to know as much as possible about their institutions, we submit the following information on Baptist Hospital in the hope that it will be of some interest and help.

With 673 beds in use, the hospital admitted 23,350 patients during the past year and provided a total of 210,000 days of patients care. There were 65,381 additional visits to the hospital's outpatient clinics and the emergency room. These patients come from across North Carolina, from other states, and even from other countries to receive the specialized hospital care which our institution offers.

Many of these patients received traditional types of hospital and medical care, but others benefited from new procedures: (1) a new method of delivering anti-cancer drugs by means of an "infusion pump," which is implanted in the patient somewhat like a pacemaker for heart patients. For many patients this has proven to be a more effective and more convenient form of chemotherapy. (2) A new type of x-ray called "digital radiography," used principally for examination of blood vessels, which virtually eliminates expensive and cumbersome x-ray film. This method uses less radiation and requires less dye than standard angiography. It also requires less time and can

sometimes be done on an outpatient basis. It is expected that this method can eventually be used in many areas of the body where x-rays are required. (3) A new type of dialysis for patients with kidney disease called "continuous ambulatory peritoneal dialysis," which involves leaving a special fluid within the peritoneal cavity for several hours while impurities (normally removed by the kidney) are taken from the blood. This type of dialysis not only frees the patient from dependence on a machine but it is also less expensive than the more conventional forms of dialysis.

The Pastoral Care Department continues to provide a pastoral ministry to both inpatients and outpatients and to their families. During the past year, chaplains made a total of 48,209 visits with patients. They provided 923 "on-call ministries" and led 262 worship services in Davis Chapel. The Pastoral Counseling Division provided 8,684 hours of counseling for 855 persons. A total of 63 students were enrolled in various levels of clinical-pastoral education. The Winston-Salem center and also the satellites in Fayetteville, Raleigh, Morganton, and Charlotte all continued to experience growth both in the types of service provided as well as in the number of people served.

During the year, our hospital again received a two-year approval by the Joint Commission on Accreditation of Hospitals.

Despite many economic pressures, our hospital continues to operate in the black. It has recently adopted a budget for the new fiscal year which for the first time exceeds \$100,000,00.

Gifts from churches during the past year through the Cooperative Program amounted to \$479,997 and through the North Carolina Missions Offering and designated gifts totalled \$345,765. We are indeed grateful to the churches and their members for this continuing fine financial support.

44. The Children's Home Report was presented by Kermit Gray, pastor of Forest Park.

45. Gene Wilson, resident director at the Baptist Children's Home in Thomasville speaking to the report.

BAPTIST CHILDREN'S HOME REPORT

All services of the Baptist Children's Homes are available through the Thomasville Family Services Center. These services include: Group living on four campuses, foster care, therapeutic camping, maternity care, emergency care, social work service, care for children in need of specialized assistance, college and technical education, a demonstrational program of preschool child care and development; counseling and professional services to families, and assistance to churches and associations in parent education and family living through the Family Resource Center.

In the Thomasville Area, we are particularly pleased with our Foster Home program and its potential. Foster care provides "one on one" care to certain children. This program has grown and we look forward to being able to serve more children as good Christian people respond to this special ministry by becoming foster parents.

Cameron Home, which provides therapeutic camping for boys from all across the state, has shown steady growth since its beginning in December of 1980. The program is now operating with three groups of 10 boys each. This is a highly specialized program of "friendship therapy" in a small group setting surrounded with nature's incentives for achievement and learning.

Members of the Mills Home Alumni are in the midst of renovating the oldest standing child care building in North Carolina. The Mitchell House was built in 1885 and will soon house a museum which will help us to know "how it was."

Mills Home is at the hub of what we are doing in the Thomasville Area under the capable leadership of newly appointed Resident Director and Associate, Gene and Mary Alice Wilson.

The quality of life for our children has been enhanced this year by the addition of a therapeutic recreation team. Mr. and Mrs. Jim Martin have a fine background that will enable them to help our staff statewide to plan and provide recreation with purpose. They work out of Thomasville.

A new 16mm thirty minute film was released in July called "You Needed Me" and is available for use in our churches. Contact the Children's Homes to schedule this inspiring, instructive film.

Larry W. Sawyer and members of the Thomasville Area Family Services staff are ready to serve those who turn to us for help.

We are grateful for the continuing support of our fellow Baptists through the Cooperative Program, the North Carolina Missions Offering and designated gifts. Like everyone else, we are being affected by short-falls in anticipated income. Programs have to be adjusted but we are careful to maintain quality care for those whom we serve.

Respectfully submitted,
Kermit Gray

46. Reginald Dawkins presented the report on Christian Education.

CHRISTIAN EDUCATION REPORT

It is important to recognize the value of offering a continuing Christian education experience for our young people when they leave the home community for further vocational training. Our seven North Carolina Baptist Colleges and Universities — Campbell, Chowan, Gardner-Webb, Mars Hill, Wingate, Meredith, and Wake Forest — offer strong academic programs and maintain a Christian influence through departments of religion, Baptist Student Unions, and varied Christian service projects. These schools are open to all qualified students, but they make a special effort to recruit North Carolina Baptist students through pastors and directors of missions.

In this day of spiraling college and university expenses, it is encouraging to know that the Directors of Financial Aid work in every way possible to aid deserving and qualified students.

A most exciting opportunity is offered at Wingate College. The following is an excerpt from Wingate's current colorful and informative booklet:

"Fantastic!"

"The experience of a lifetime!"

"Opened my eyes to the world!"

"These are just some of the comments Wingate students have used to describe Winternational, the exciting Wingate College travel-study opportunity. Not only has the Winternational program won students' favor, it has also captured international attention, having been cited in "The Wall Street Journal" and other major publications. The unique aspect of the program is that every student has the opportunity to travel and study in a foreign country at very little additional cost (lunch, dinner and incidental transportation are all that the student pays). The experience is available to all students, even those of very modest family income levels. Roundtrip air transportation, airport transfers, lodging, breakfast, instruction and excursions are provided.

Participation is at the mid-point of the sophomore year. A student has only to meet the following conditions:

- a. Achieve at least a 2.0 or "C" grade-point average after three semesters as a full-time student;
- b. Maintain high standards of campus citizenship and character;
- c. Complete the fall term Winternational seminar;
- d. Meet all financial obligations to the College and post the deposit for the succeeding semester.

For 1981-82, Wingate students chose either London, England; Vienna, Austria; Geneva, Switzerland; Amsterdam, Holland; or Merida, Mexico. (Cities of destination vary from year to year.)

And after Winternational, students may choose an entire semester abroad at extremely modest additional cost."

CHRISTIAN LIFE AND PUBLIC AFFAIRS REPORT

The purpose of this Council on both the state and associational level is stated in the annual book of reports as: "The Council shall assist North Carolina Baptists in the propagation of the Gospel by: 1. Helping our churches become more aware of the ethical implications of the Christian Gospel with regard to such aspects of daily living as family life, human relations, moral issues, economic life, daily work and citizenship. 2. Helping North Carolina Baptists create with God's leadership and by His grace the kind of moral and social climate in which our witness for Christ will be most effective.

The major thrust for the associational Christian Life Council for this year was the Family Life Conference held October 4-5 at Balfour Baptist Church. Experts in the field of Parenting, Single Adults, Senior Adults, Married Adults, Youth, and Children led conferences that focused attention on how to enrich Christian family life.

The Council plans to choose another area of concern for the churches in Randolph Association as its focus in the coming year. Ethical issues like world hunger, local human needs, divorce, and ministry to senior adults are being considered. The Christian must always fulfill the calling of Christ to set the standard for righteous living in this present world.

48. Rev. Hansel Neathery gave the report of the Historical Committee.

THE HISTORICAL REPORT

This is the third year the Historical Report has been made. The main source of information on events occurring in the churches during the year is the church letters. So we hope that each year the churches will report to the Associational Office the main events that have been made history during the year so that these can be summarized and used in the Historical Report. Also, each year we want a brief history of each church where the Association meets which this year are the Cross Road and Mt. Pleasant Baptist Churches. Thus, we are including a brief history of these two churches in this report.

1. The Calvary Baptist Church, C. J. York of Asheboro to the gospel ministry, 1982.
2. Rev. Wilburn Eaton, pastor of the Cedar Falls Baptist Church for nine years, has retired from the pastoral ministry and moved back to his old home community of Seagrove.
3. Mt. Pleasant Baptist Church started a new sanctuary in 1981 and completed and dedicated it in a beautiful ceremony in 1982.
4. First Baptist Church of Ramseur, honored Mr. C. E. York, Sr. for forty years of faithful and dedicated service as church custodian.
5. First Baptist Church of Seagrove paid off its debt in March, 1982 and held the note burning and homecoming service June 6, 1982.
6. Macedonia Baptist Church has started a Sunday School bus ministry.
7. The Richland Baptist Church has completed the lay-out of the church cemetery.
8. Glenola Baptist Church had a mortgage note burning service.
9. Riverside Baptist Church retired its church debt, 1982.
10. Union Grove Baptist Church of Rt. 1, Seagrove continues to operate its mission which has been named the McCook Baptist Church near North Sioux City, South Dakota. The mission pastor is Rev. Clyde Stutts, originally from the Seagrove community.
11. Asheboro, First Baptist purchased a new Allen Pipe Organ during the year. It was installed during the summer months. Funds for this organ were raised in one year, totalling \$84,000.00.

A brief history of the Cross Road and the Mt. Pleasant Baptist Churches follows.

HISTORY OF THE CROSS ROAD BAPTIST CHURCH

In November of 1976, a small group of people began to pray about the possibility of beginning a new church to help reach the masses of unsaved people in Randolph County. Under the Lord's leadership The Cross Road Baptist Church was formed, taking its name from Matthew 16:24. Rev. Don McIntyre accepted the call to pastor the church, and the first formal worship service was held in his home. The VFW building on Albemarle Road was prepared for worship, and the Cross Road Baptist Church was chartered there on May 31, 1978, with 23 members.

By August, the members were able to purchase 13 acres of land on Cox Road on which to build a sanctuary and educational building. The Lord blessed the efforts of the congregation and in September of 1979, when they moved into the completed building, there were 216 members of the Cross Road Baptist Church family.

As the church continued to grow, it became obvious that Rev. McIntyre needed someone to help meet the needs of the people. In March of 1981, after much prayer and searching, the Cross Road Baptist Church called Rev. Paul LeCrone of Little Rock, Ark., to be its Minister of Music and Education.

The motto of the church has been "the church that cares," and its efforts have been aimed at meeting the needs of the total person. The church has just completed some additional educational space and has voted to build the Cross Road Baptist Church Rest and Retirement Center, Inc. in order to minister to the needs of the elderly in Randolph County. Pray for our church as we continue to seek to do God's will in Asheboro and Randolph County.

Hope Haywood

HISTORY OF MT. PLEASANT BAPTIST CHURCH

On July 6, 1982, the Presbytery met for the purpose of constituting a Baptist church in Randolph County. The charter members had withdrawn from Mount Zion Baptist to constitute a church of like faith and order. From the earliest record book, it is known that the church was functioning in a steady manner and met for a church conference on Saturday before the first Sunday in August, 1872, as was the custom for many, many years.

During its existence there have been four church buildings. The first is believed to have been a log structure and was located near where the present sanctuary stands. The second building was completed in August 1906. In 1962 an educational building was constructed during the ministry of Rev. Gilbert Adams. The present sanctuary was occupied in June of 1982 with Dr. Sam James delivering the dedication sermon. The present pastor, Rev. Alton G. Cook, began serving in January of 1979.

NORTH CAROLINA

As of March 31, 1982, 3,288 staff members of 2,316 churches and associations are participating in the Southern Baptist Retirement Program.

As of March 31, 1982, we had processed the following:

70 — Southern Baptist Retirement Program applications

14 — applications for age retirement benefits

501 — retirement program upgrades

The church's response to upgrading the staff member's retirement program continues to be encouraging. Ten (10%) percent of his/her annual compensation (salary, housing allowance, auto allowance, etc.) should be the minimum. In 1981 North Carolina reported 1,032 upgrades!

Six (6) VIDEO TAPES are now available for churches and associations to assist in understanding the protection programs of the Annuity Board. Order from the Film Library, Baptist State Convention.

VT16-1 "Planning The Rest of Your Life"

VT16-2 "Retirement — The Way It Is"

VT16-3 "Purpose and Meaning in Retirement"

ASSOCIATION

In Randolph Association 31 churches and 39 staff members are participating in the retirement program. Of this number 9 are still participating on the minimum of \$33.34 per month. There is a great need to upgrade this to 10% of total salary for staff members.

52. Rev. F. G. Alford of Macedonia Church presented the Cooperative Program report.

THE COOPERATIVE PROGRAM REPORT

The Cooperative Program is our thread of hope for the kind of victory which will bring glory to our Lord and peace to our troubled world. It is one way all of us as Southern Baptists can become personally involved in mission support and outreach.

The Cooperative Program is a Convention approved plan for the equitable distribution of the gifts of Southern Baptists for the support of all our missionary causes. But the Cooperative Program is more than money. It is ministry! It is missions! It is meaningful and corporate response to the Great Commission of our Lord!

Southern Baptists have accomplished untold wonders through the Cooperative Program for more than half a century. It has made us one in mission support. It holds us together. It is a dependable ground of encouragement as we face the challenge of Bold Mission Thrust!

Jesus Christ visited planet earth to reveal the character of God and to make possible man's salvation. Christ commissioned us to a mighty task, commanded us to do all of this together. It is this togetherness that is at the heart of the Cooperative Program of Southern Baptist.

The Cooperative Program grows out of the words of Christ. He said to His followers to: "GO . . . and make disciples . . . baptize them . . . and to teach them . . ." This is the plan, the goal, the method and the promise which Christ has given to His followers.

Southern Baptists, under the leadership of God's Spirit, have concluded that the Cooperative is the best possible program that we have today to carry out this supreme mission which Christ has given us. How seriously do we accept the Great Commission as a personal directive to each one of us?

Respectfully submitted,
F. G. Alford

Guiding Principles for the Work of the Missions Committee of the Randolph Association.

1. The Committee is to seek to discover areas where new work is needed and to lead in the sponsorship or establishment of new work to meet present need or the securing of property by a local church and/or the Association in the anticipation of future need.
 2. All new work does not necessarily need to be nor should be intended to become an organized or constituted church. New work may be started and maintained on the basis of a mission to meet particular needs (This provides for institutional missions such as jails, prisons, rest homes, etc.).
 3. The location of missions or new churches shall be determined by the need revealed in an adequate survey conducted by the Missions Committee and local interested groups or churches.
 4. Any church, committee, group or individuals considering beginning new work, acting with or without church sponsorship, should approach the Missions Committee for guidance before having any service or choosing a temporary or permanent location.
 5. The Missions Committee shall institute basic, understandable operational procedures and practices for a mission that leads in establishing and strongly urges that each church establishing a mission does the same. The guidance of missions by the Missions Committee shall continue until a co-operating church or churches can be led to accept the responsibility of sponsorship.
 6. A mission organized or assisted by the Missions Committee shall accept the recognized principles and practices of a church cooperating with the Randolph Association, the Baptist State Convention and the Southern Baptist Convention.
 7. The Missions Committee shall plan and develop special associational projects and make the churches aware of these mission opportunities to participate.

once each quarter and report its activities to the Executive Committee. The committee will give a written report to the annual session.

- f. *Ordinations:* The Ordination Committee shall be composed of three members, one serving three (3) years, one serving two (2) years, and one serving one year. - (2) The committee requires that the candidate be called by a church for ministry before requesting examination.
- (3) The chairman shall notify the candidate of the time, place and procedure.

The chairman shall report the committee's activities to the Executive Committee and provide a written report for the annual session.

- g. *Place, Time, and Preacher:* This committee shall be composed of three members, one serving three (3) years, one serving two (2) years, and one serving one year. The committee will receive invitations from the churches which desire the association to meet with them the next year. The committee shall recommend ways in which the association can work for the promotion of civic righteousness and social uplift. It will inform the churches of current issues of Christian response. The committee shall also commend those persons and institutions that uphold Christian virtue, and shall support the churches in the teaching of Christian personal and social righteousness. The committee shall report to the Executive Committee and Annual Session when needed.

ARTICLE VIII — ORDINATION AND CALLING OF PASTORS

Section 1. Inasmuch as the ordination of a man to the gospel ministry by any church in this Association is expected to be recognized by the denomination as a whole, the churches are counseled to be extremely careful in the matter of setting men apart for this sacred calling, ordaining only those who, by irreproachable character, piety of life, doctrinal soundness and suitable talents, give promise of honoring the name of Christ and of rendering acceptable service in the missionary Baptist ministry.

Section 2. To aid the churches in this vital matter, the Association will appoint each year a committee of five of the pastors to be called the Committee on Ordination. Any church desiring to ordain a brother to the ministry may request the Ordination Committee to act as a presbytery for the purpose of examining the brother according to the guidelines found under Duties of Ordination Committee.

Section 3. The churches are urged also to exercise the utmost care and wisdom, earnestly seeking the guidance of the Holy Spirit, in calling of their

pastors, choosing only men who give evidence by their Christian character, cooperative spirit and leadership ability, that they will serve the best interests of the churches, the denomination, and the cause of Christ.

ARTICLE IX — NEW CHURCHES

BUDGET PROMOTION

- 1. In 1981-82 our churches reported 8,363 Resident members.
- 2. Our churches gave a total \$2,289,137.00 in undesignated offerings.
- 3. If each of our 42 churches gave 3% of their undesignated offerings to the associational budget our potential would be \$68,674.00. ($\$2,289,137.00 \times 3\% = \$68,674.00$)
- 4. During 1981-82 the association received \$43,371.00 from our churches.
- 5. This is \$25,303.00 less than our potential.

Ex. Potential	\$68,674.00
Received	— 43,371.00
Less	\$25,303.00

- 6. During 1981-82:
 - 10 Churches gave 3% or more to the association.
 - 21 Churches gave 1% to 2% to the association.
 - 11 Churches gave designated amounts to the association.
- 7. To meet our budget and the needs of Ministry/Missions opportunities, we encourage each church to gave 3% or more of their undesignated offerings to the association.
- 8. If each church would give a percentage to the work of the association, we would have adequate funds to carry on the ministries of the association.

Percentage Giving is Easy Giving

When the receipts are low in the summer the church still gives the same percent though the dollar amount will be less. When the giving is high, in the Fall and in the Spring, the percentage remains the same although the dollars will be more.

MISSIONS COMMITTEE REPORT

During the year the Missions Committee has been pretty busy. We have had several meetings planning and discussing missions both locally and in West Virginia, as well as World Missions. The chairman has attended the Triad Missions meetings in Greensboro where State workers have met with us and given to us information and help in how to be better informed about the mission needs of our area. Attended Missions Conference at Ridgecrest and was exposed to some of the best information available to Southern Baptists. Two groups at least from our association went on mission trips. Rev. McDaniels led a group from First Baptist, Asheboro to West Virginia. Carl and Frances King with Lucy Garner spent two weeks in Eastern Pennsylvania. Bob Watson from the Extension Dept. of the BSC met with your committee to plan a survey for June 18 and 19 for the West Cedar Grove Community. Mr. Earl Lamm came and helped the Committee with the survey. We did not get all the work done that week-end. However, we discovered some 50 persons that indicated some interest in a Southern Baptist church in the area.

The Cedar Grove Baptist Mission was started on June 12, with 27 persons present. They have met each Sunday since with an average of 30 each Sunday, holding Sunday School and worship services. We have Nursery, Preschool, Grades 1-6, Junior and Senior High and Adults. We have had a high attendance of 90 on July 17th when the counselors from Mundo Vista came and sang for us. They brought 50 and we had 40. Mr. Odis Honeycutt is acting as Sunday School Director and Treasurer, Carl King as teacher of Adults, and Song Leader, Leland Bingham as High School teacher and Older Children, Frances King, Preschool. Rev. James Womble has been preaching. Please continue to pray for the local work and thanks to everyone who has helped. We still need many more persons to subscribe to the MAP plan so that funds may be

available to help both in West Virginia and locally. For after all, Jesus said to begin at Jerusalem and carry the gospel to the ends of the earth.

Respectfully submitted,
Carl King, Chrm.

After report had been presented, members of the Cedar Grove Baptist Mission were recognized.

15. Evangelism Report presented by Judson Rotan, in the absence of Evangelism Committee Chrm., Roger Mercer.

EVANGELISM COMMITTEE REPORT

The Evangelism Committee has met three times this past year and discussed a number of ways to improve evangelistic outreach and to build the enthusiasm about reaching persons for Christ. Several topics were discussed in the committee meetings: Lay-Witnessing, Lay-Renewal, Youth Evangelism, reaching young adults, seminars on *How to Witness*, Pastor's revival and evangelistic conference or rally.

These projects for the year were adopted - (1) Encouraging pastors and lay-persons to attend the State-wide Evangelistic Conference. (2) Conducting Witnessing training for Churches. (3) Conducting a Pastor's Revival Conference, and Evangelism Rally.

On September 27, twenty-one pastors gathered at First Baptist Church, Asheboro, for an Evangelism Conference. Bill Kincaid of Balfour Church and Jimmy Upton of Asbury Church were the speakers with Larry Pugh of Caraway Church giving a testimony. During the night session Dr. Delos Miles, Professor of Evangelism at Southeastern Seminary spoke to a crowd of fifty or more for an Associational Evangelism Rally.

The committee will continue to seek ways to improve outreach and witnessing to our communities and county. There is a deep burden on the hearts of many for the lost in Randolph county and around the world. The committee will continue to provide an ongoing program for evangelistic involvement on the state level and on the associational level. Pray with us as we challenge Randolph Association to reach out to people for Jesus Christ.

Respectfully submitted,
Evangelism Committee

20. The 50th Anniversary Report was verbally given by Justus McKeel, chrm. of this committee.

The Committee elected to make plans for celebrating the formation of the Randolph Association in the year 1934 has met and offers the following suggestions: It is as follows.

1. That the celebration be held in conjunction with the annual meeting in October of 1984.
2. That the Monday night preceding the annual meeting be set aside for a "Celebration Event", possibly at Balfour Baptist Church. This event would recall each 10-year period of these 50 years by one of the following:
 - a. A drama with spoken lines by the selected cast and with the use of stage and props.
 - b. A play with few lines, using a cast and a narrator to read most of the material.

- c. A musical drama with a choir and some dramatic scenes depicting our past history as an association.
 1. The music and play would be written and directed and cast by members of our churches and staffs.
 2. This idea was most appealing to your committee.
3. The Director of Missions also suggested a booklet be printed that would include a picture and brief history of each church in the association—this booklet would be purchased by churches and individuals.
4. Perhaps a lasting but inexpensive souvenir could be made available to commemorate the occasion.
5. That the Tuesday night session meet at the Franklinville, First Church where the Association was organized.
6. The Historical Committee is to work with the 50th Anniversary Committee in planning this time of celebration and thanksgiving to Almighty God for the great work He has done for us and through us.

21. Judson Rotan, Director of Missions spoke to the congregation on "Building Bridges of Concern" through the association. He recognized each of the four organizational leaders and asked that each present a look into the future and share ideas of what we can expect in each organization.

- (1) SUNDAY SCHOOL - Purpose of Sunday School is to teach and reach. The emphasis for the coming year will be on OUTREACH & WITNESSING. The main emphasis for Sunday School will be the "So Send I You" Clinic in March, 1984.

Cecil Johnson presented the Sunday School Report.

SUNDAY SCHOOL REPORT

We are continuing the 8.5 by '85 emphasis because of the great need of so many people to be enrolled in Sunday School. The commission of our Lord to reach people has never lost its force or meaning. We are just applying it in another age and with different people than to whom it was first given.

Our Sunday School ASSIST (Association Sunday School Improvement Support Team) Team has met regularly during the year. They also attended the training clinic for the "Understanding" Books at the First Baptist Church, Albermarle, in February.

In March we held a two-night study of *Jesus, The Teacher* at First Baptist Church, Asheboro. David Goodroe, Minister of Education at First Baptist Church Burlington, was our guest teacher.

Our ASSIST team also conducted two Sunday School Leadership Conferences during the year - one at First Baptist Church, Ramseur, and the other at First Baptist Church, Asheboro. In these conferences we studied *Understanding*

Today's Adults, Understanding Today's Youth, Understanding Today's Children, and Understanding Today's Preschoolers.

Two of our churches - First Baptist, Asheboro, and First Baptist, Seagrove participated in the Sunday School Enrollment and Enlargement Campaign, September 17-25. Both of these churches are already experiencing growth and we hope that they will see much more as a result of the Enlargement Campaign.

During the coming year we will have a special emphasis on outreach with an associational-wide "Send I You" Clinic in March.

If one of our ASSIST team members can be of help to you and your church, please call on us.

Respectfully submitted,
Cecil N. Johnson

- (2) CHURCH TRAINING - Dennis Connell - The basis of Church Training is Eph. 4:11-16. The theme for this year is "Developing Believers." "M" Night will be November 28 at Franklinville, First with Rev. Kenneth Ridings bringing the message. Along with this, there will be a puppet presentation and a demonstration of Children's Bible Drill. The State is striving for 400 new Church Training programs. There are several new Equipping Centers in the associational office. There was no printed report for this year.
- (3) WMU - Mrs. Toni Underwood - "We are laborers together with God." This is our theme and through this we hope to provide women and girls with the opportunity to learn about missions and ministry. One of the highlights of the WMU year for 1982-83 was the achievement of "DISTINGUISHED" level.

Mrs. Toni Underwood presented the WMU Report.

WMU REPORT

The emphasis of the year has been "Life-Changing Accountability." The watchword for the year was Ephesians 2:10, "For God has made us what we are, created in Christ Jesus to do the good deeds which he has planned for us to do." The hymn for the year was "We Are Called To Be God's People."

Items of interest for the year include:

- Acteen Member Handbook study, October 11,

- (4) **BROTHERHOOD**- Bobby Poole - Brotherhood is the organization of men doing and serving in mission work. The Disaster Relief Unit is completed. We hope to do some work in the Prison Ministry. Possibility of spring workshop and Pinewood Derby scheduled for February.

Bobby Poole presented the Brotherhood Report.

BROTHERHOOD REPORT

When I look back on last year's program, I realize that we should have done more in the work of the Lord. But I am grateful for this past year.

I was privileged to attend the Baptist Men's Convention in Fayetteville, N.C. on November 13-14, 1982. The Saturday lunch was served out of the Disaster Relief Unit to give us an idea how it would work. The speakers for the Men's Convention were very good. One of the best parts of the Men's Convention was the Prayer Breakfast, held on Sunday morning. Fred Roadh, President of Texas Baptist Men was the speaker. He challenged us to Christian involvement in our world.

One of the highlights for our associational Brotherhood was the Rally held in March at First Baptist Church, Asheboro. We had 90 men and boys for the supper from 16 of our churches. The speaker was Donald Greene, past president of N.C. Baptist Men and a lawyer from Hickory, N.C.

Also, I went to Ridgecrest for Key Leadership, May 9-11 with other associational leaders. We learned how we might work better with men and boys in our association.

On May 30, I led the Brotherhood Conference at the Key Leadership Conference in our association, at First Baptist Church, Ramseur, N.C. We shared the information we received at Ridgecrest and what we can do in our association to strengthen Baptist Men and R.A. work.

R.A. NEWS:

We had our first Annual R.A. Track Meet at Asheboro Junior High School on Saturday, April 30. We had 24 R.A. boys from 5 churches competing for ribbons and for a chance to represent our association at the state R.A. Track Meet. Many parents and counselors were present to cheer their team to victory. It was a great day of fun and fellowship.

Three (3) of our churches - First Baptist, Franklinville; First Baptist, Seagrove; and Sandy Creek represented our association at the state Track Meet at Athens Drive High School, Raleigh, N.C. May 13-14, 1983. Some 30 R.A. boys and adults attended this event.

The results of the track meet in our association:

Church	No. of R.A. Participants	Point Total	Average Points
1. Franklinville, First	7	100	14.29
2. Forest Park	4	27	6.75
3. Mt. Pleasant	2	5	2.50
4. Sandy Creek	8	95	11.88
5. Seagrove, First	3	45	15.00

Our deepest thanks to Baptist Men of Asheboro, First; Balfour; and Forest Park churches in helping us secure a Pinewood Derby Track. R.A. Counselors can order R.A. Racer Kits now from Brotherhood Department, Baptist State Convention. Now is the time to get ready for the contest. The Associational Pinewood Derby will be held sometime after the first of the year, 1984. There will be three divisions: Lads, Grades 1-3, Crusaders, Grades 4-6, Pioneers, Grades 7-9. Each division will be judged on three levels: (1) Fastest, (2) Best Looking, (3) Most Unusual.

When you are ready to hold the Pinewood Derby in your local church, please contact John Underwood and he will set a date when he can bring the track to your church. He will also be glad to give any advice needed on how to set up for your church race. Please call him. John Underwood's telephone number is 498-7990.

Let us reach out to our men and boys and inform them and involve them in mission study and action.

Respectfully submitted,
Bobby Poole

22. The Director of Missions, A. Judson Rotan, presented the Director of Missions Report.

DIRECTOR OF MISSIONS REPORT

Along with the end of summertime and the beginning of fall, there comes the end of one church year and the beginning of another. And, as in the churches, the same is true with our Association.

For some it means a time to look back and rejoice over what we have accomplished. For others, it is a time to look forward and to start again. For still others, it is a time of gratitude.

While I am rejoicing in what we have done together as churches in Randolph Association, and while I rejoice that we are at the point of new and exciting things ready to happen in our churches and association, I believe I best fit into the category of being one of those filled with thankfulness during 1982-83.

Why? Because I am grateful for . . .

- the Christian fellowship which we have enjoyed in and among our churches during our visits in the churches, supply preaching, Quarterly Leadership Conferences, organizational training meetings, revivals, mission studies, Bible studies, VBS clinics, deacon conferences and much more. One of the basic objectives of the association is fellowship.
- the hundreds of lives that have been touched and changed in renewed zeal and growth across the association.
- the upswing in Church Training enrollment after several years of decline, with new materials such as Survival Kit, Equipping Centers, and Doctrinal study.
- the constantly increasing emphasis on missions in our churches as we are becoming more aware of our privileges to proclaim the Gospel to others, such as persons in Fairmont, West Virginia and Cedar Grove Community, west of Asheboro.
- the increasing participation by our churches in gifts to the Cooperative Program, special missions offerings, and Associational Missions support. Many churches have doubled their gifts to missions in the last five years.
- the joy of getting to know fifteen (15) missionaries who shared life and their missionary experiences with us for a whole week with 27 churches during our World Missions Conference last April 10-17, 1983.
- the support of the churches in the programs and ministries of our association through your gifts, your participation, and your hard work to make it an outstanding associational year.
- the encouragement and support of the moderator and officers of the association and the sharing and suggestions of the Associational Council that has helped to make my work much easier.
- the times to represent our association at World Missions Conferences in another association, or speaking at Southeastern Seminary to potential Directors of Missions or conducting a Sunday School Enlargement Campaign or Deacon Conferences in other associations. I have been enriched and blessed by each.
- God's continued blessings on us all as He has led us through times of difficulty and hard work as well as through times of victory.

- the future which lies ahead for each of our churches, completing a five year long-range program of events and looking forward to reaching out even more boldly to a world that needs to know Jesus Christ as we build bridges of concern to others.

Along with many of you I have got great dreams for our future. I spent several weeks this summer thinking and praying about our future. We have an association with needs and challenges that need our attention. I am suggesting some Associational Priorities for the next five years that we, I hope, will surround with goals and actions. Our association is one with resources adequate to meet the needs and challenges before us as God increasingly reveals them to us.

It is my prayer that upon the celebration of our 50th Anniversary as an association, that God's blessings might continue to abound upon each of us, and that we might increasingly serve Him in a manner pleasing to Him.

To this end, I ask that you pray for your associational officers, your Director of Missions, the programs that are planned for next year, the ministries/mission endeavors, and for each of the churches that cooperate to make up the Randolph Baptist Association.

To you, in turn, is my pledge and commitment to be used of God fully to carry out the projects and the programs to advance the cause of Christ and the kingdom of God in our area and to the whole world. Thank you for your prayers and support.

Respectfully submitted,
Judson Rotan

The Association having completed a five-year Bold Mission emphasis, the Director of Missions presented a challenge to plan for the next five years. He shared some Associational Priorities that could be the base for planning during the next year. He suggested that 1984 would be a year for projecting a five-year program for the association during 1985-1990. Leadership in the association and in the churches would have opportunity to share their ideas and suggestions. This would be done in the January Quarterly Leadership Conference. This would be a great climax to the 50th Anniversary Celebration at the annual meeting in 1984.

ASSOCIATIONAL PRIORITIES

For several months I have been studying our association and its needs. The 1980 census data and the survey of the Church Extension Department of the Baptist State Convention has helped. There are six priorities that I believe we need to consider. I feel that all of these were top priority and none second to any other. They are as follows:

1. FELLOWSHIP:

- a. To build a stronger sense of fellowship both within and between churches.
- b. To increase the feeling of interdependence of team spirit, of being in fellowship on mission.

2. COMMUNICATION:

- a. To develop an on-going public relations program with short-range and long-term goals.
- b. This program should be aimed at the general population including non-Baptists as well as internal communication aimed at our own membership.

3. STAFF LEADERSHIP:

- a. To develop a strong bond between pastors and the Association.
- b. To offer help in goal-setting and in assistance to churches, especially individual church needs.
- c. To inform every church in the association of the work and ministry of the association.

4. TRAINING AND DEVELOPMENT:

- a. To provide top quality leadership training for every church program organization as well as other areas of work such as stewardship, evangelism, deacons, and ministers.
- b. To specialize this training to meet the needs of varying size and type of churches through central, groups, and individual training events.

MUSIC REPORT

North Carolina Baptists have every right to be proud of themselves and their musical accomplishments. This past year, 3,573 North Carolina Baptist churches (9.46% of all SBC churches reporting music ministries) enrolled more than 161,000 people (9.8% of the total SBC music enrollment) in local church music ministry. This is quite an accomplishment and one Randolph Baptists can be proud to be a part of.

In 1982-83, Randolph Baptist churches enrolled 96 preschoolers, 148 Music Makers (grades 1-3), 137 Young Musicians (grades 4-6), 181 youth, 771 adults, 41 handbell ringers, 116 people in vocal ensembles, 56 instrumentalists and 132 general music leaders. Our total enrollment was 1,670 with an average weekly attendance of 1,145. This enrollment figure reflects an increase of 117 people over last year's number.

Statistics like these make me proud to be a North Carolina Baptist and Randolph Baptist musician. My pride is not in the statistic, but in the fact there are 1,670 PEOPLE serving God and ministering to people through music in Randolph Baptist Association churches.

1983-84 Associational Music Goals

- * To have 100% of our churches reporting music ministry on their church letter (97% this year).
- * Establish music Zone Leaders, who will make up an Associational Music Ministry Steering Committee.
- * To have one music event each (festival or music week) for children, youth and adults.
- * To provide one Association wide music leadership training event.

33. Rev. Bill Barnes presented the Baptist Homes for Aging Report.

BAPTIST HOMES FOR THE AGING REPORT

Through North Carolina Baptists, God continues to bless our North Carolina Baptist Homes with meaningful blessings, and we are grateful!

One of the most significant blessings that we have received during the year has been a 31% increase in the percentage used for distribution of funds through the Cooperative Program. This percentage change, along with strong Cooperative Program support during the first five months of 1983, has meant an increase of \$29,079.73 over the same period in 1982. Total Cooperative Program funds for the period totalled \$135,647.39.

For the first five months of 1983, undesignated support through the North Carolina Missions Offering provided \$74,087.47 toward the Homes' benevolent care needs. Designated gifts of \$42,274.58 brought the total NCMO support to \$116,362.05.

Through these mission gifts of \$252,009.44, we were able to provide care for over 50% of the residents in the five Homes and Nursing Care who have limited resources. Even with this mission support, benevolent care exceeded the resources by \$132,975.00 for the five-month period. This gap must be bridged, and we must continue to receive more through the Cooperative Program and the North Carolina Missions Offering if we are to meet the needs of residents in the Homes. This still leaves the many who are waiting to enter the Homes, but do not have sufficient funds to pay the cost of care.

The Baptist Homes have been and continue to be a benevolent care ministry throughout the 32 years of caring. Because of the over-extended benevolent care ministry, the Trustees have had to put a hold on admissions of persons who cannot demonstrate the resources to pay the cost of care for their life expectancy. Let us change this picture as rapidly as possible. The only way that it can be changed is through a concerted effort of increased giving through the Cooperative Program and the North Carolina Missions Offering.

Another step forward during May of this year was the approval by the Homes' Trustees of a Capital Funds Campaign of \$2,500,000 for the meeting of needs on the Hayes Home Campus, Winston-Salem. This challenge will meet some of the very vital needs of updating the Nursing Care Unit. Included in this updating will be a physical therapy room, patient dining room/activity area, and other vital needs related to food service. A second area of need includes the building of additional rooms at Hayes Home. These rooms are desperately needed to make possible additional beds in the Nursing Care Unit. This expansion will require additional money beyond the current Capital Funds Campaign. The upcoming campaign will be the first major capital funds

effort that the Baptist Homes have undertaken. We covet your prayers for a successful effort.

The needs of older persons in our nation and state become more and more acute with each passing day. It is imperative that we focus more on the needs and that we provide as wisely as we can for them in the family of our North Carolina Baptist Homes, now and for the future.

We believe that the future of the Homes' ministry is in God's hands. We shall continue to trust Him for our needs, and urge you to join Him and us as we strive to meet the needs of this vital ministry to older persons.

Respectfully submitted,
Bill Barnes

34. Rev. Kermit Gray presented the Baptist Children's Homes Report.

NORTH CAROLINA BAPTIST CHILDREN'S HOMES REPORT

All services of the Baptist Children's Homes are available through the Thomasville Family Services Center. These services include: group living on four campuses, foster care, therapeutic camping, maternity care, emergency care, social work service, care for children in need of specialized assistance, college and technical education, a demonstrational program of preschool child care and development, counseling and professional services to families, and assistance to churches and associations in parent education and family living through the Family Resource Center.

In the Thomasville Area, we are particularly pleased with our Foster Home Program and its potential. Foster care provides "one on one" care to certain children. This program has grown and we look forward to being able to serve more children as good Christian people respond to this special ministry by becoming foster parents.

Cameron Home, located in Moore County near the community of Cameron, provides therapeutic camping for boys from all across the state. The program has shown steady growth since its beginning in December of 1980 and is now operating with three groups of 10 boys each. This is a highly specialized program of "friendship therapy" in a small group setting surrounded with nature's incentives for achievement and learning.

Larry W. Sawyer and members of the Thomasville Area Family Services staff are ready to serve those who have need of any of our services.

We are grateful for the continuing support of our fellow Baptists through the Cooperative Program, the North Carolina Missions Offering and designated gifts.

On July 1, 1983, the Baptist Children's Homes welcomed its new President, Dr. Michael C. Blackwell, a native of Gastonia. Dr. Blackwell becomes the eighth President of the Baptist Children's Homes of North Carolina and follows in a noble tradition of excellence established by the seven men who preceded him in this position. In making the announcement of Dr. Blackwell's selection, Dr. William Brown, Chairman of the Board of Trustees, said that "we firmly believe that Dr. Blackwell will continue to lead this vital ministry in an exemplary manner. His unique talents, personality and commitments will assure that this ministry remains at the vanguard of excellence in child care in meeting the challenge of resolving the hurts of children and families in need."

Dr. Blackwell served churches in both North Carolina and Virginia before assuming the Presidency of the Baptist Children's Homes.

35. Rev. Bill Kincaid presented the Baptist Hospital Report.

NORTH CAROLINA BAPTIST HOSPITAL REPORT

Baptist Hospital has celebrated its sixtieth anniversary during 1983 by continuing to expand and improve its services.

During the year the hospital has installed a nuclear magnetic resonance machine in the Department of Diagnostic Radiology. With the use of radio waves, this machine produces pictures as good as or better than standard x-rays and can also provide valuable information based on the body's chemistry without posing any radiation hazard.

Baptist Hospital is also providing a new treatment aimed at finding and removing the cause of heart attacks. The procedure attempts to dissolve clots in the coronary arteries feeding blood to the heart muscle by injecting a clot-dissolving drug through a catheter.

During the past year a survey team from the North Carolina Department of Human Resources designated the hospital's Emergency Department as a Level I trauma center which indicates that the department offers all major services for serious injuries twenty-four hours a day seven days a week.

Because of these and other services provided by the hospital, a total of 23,903 patients were admitted to its approximately 700 beds during the year for a total of 213,021 days of patient care. An additional 66,039 persons visited the hospital's emergency room and outpatient clinics.

The Department of Pastoral Care provided more than 14,000 hours of pastoral service to hospital patients, their families, and the Medical Center staff besides leading at least four worship services each week in the Davis Memorial Chapel. The Pastoral Counseling division provided 14,493 hours of counseling to persons who had individual or family problems or concerns. The Clinical Pastoral Education division provided training at some level for more than 100 students. During the past year Dr. Mahan Siler, who has been with the department for ten years, resigned as its director in order to return to the pastorate.

In order to provide adequate care of its patients, Baptist Hospital employs approximately 3,500 people and has buildings and equipment valued at more than \$100,000,000. The operating budget for 1983 was \$101,000,000.

During the past year the hospital trustees have reviewed plans for another major capital expansion program to begin when construction funds are available.

Careful management with continuing emphasis on cost-containment projects has made it possible for the hospital to operate in the black with only a 4 percent room rate increase during the past year.

During the 1982 fiscal year the hospital received from the churches of the Baptist State Convention a total of \$497,019 through the Cooperative Program and \$343,665 through the North Carolina Missions Offering. Cooperative Program funds helped to underwrite the budget of the Pastoral Care

Department and the gifts received through North Carolina Missions Offering assist financially needy patients in paying their hospital bills.

The hospital administration and staff are deeply grateful to the Baptist State Convention and all its constituents whose leadership and support make it possible for the hospital to provide these ministries.

Respectfully submitted,
Bill Kincaid

44. Building & Grounds Committee Report was presented by Judson Rotan in the absence of Marvin Caviness.

BUILDING AND GROUNDS COMMITTEE REPORT

The Building and Grounds Committee sought to continue to keep the building in good shape. Two projects the committee has undertook this year: improving the parking lot and painting the building outside. Both of these projects have been completed. The parking lot was scraped and new crushed rocks were placed on the driveway and parking lot. Several men of the Brotherhood helped the association financially by painting the outside of the building. Both of these projects cost around \$650.00. With these projects, we also put an outside automatic light for persons to be able to see at night. This was done for a cost of \$100.00.

We hope during 1984 to continue to make the outside improvements that will enhance the beauty and function of our associational facilities.

Looking long-range down the road, we need now to begin to think about paving the parking lot, say three to five years away.

Respectfully submitted,
 Marvin Caviness

The fields are white unto harvest NOW.

49. Carl King led in singing "Must Jesus Bear The Cross Alone."

50. Christian Life and Public Affairs Report presented by Justus McKeel.

CHRISTIAN LIFE AND PUBLIC AFFAIRS REPORT

A Christian Life Committee is a standing committee in a local church, an association, or state convention. Randolph Association has a standing committee and so does our state Baptist Convention. Many local churches have one but most do not.

What is the purpose of such a committee for the church or association? "A Christian Life Committee helps Baptists to match Christian belief with Christian behavior. It seeks to make Christians aware of critical moral and social issues and to lead in Christian action to meet these needs."

"Baptists have a mandate from Christ to carry their Christianity out of the church buildings and into all areas of life. Many church members and church leaders want to use their talents, creativity, and energy in new ways to implement the prayer Christ taught His disciples to pray, 'Thy will be done in earth as it is in heaven.'"

"A working Christian Life Committee helps cultivate these talents and channel this creativity." The Christian Life and Public Affairs Department of the state Baptist Convention has many resources that can be used by the local church and the association in carrying out the commands of Christ to see that justice and mercy are both employed in the world.

It is important that we keep a good history of our churches in this association.

APPRECIATION REPORT

As the 49th Annual Session of the Randolph Baptist Association draws to a close, we thank God for our many blessings as Christians.

We want to express our heartfelt thanks to the Glenola Church and Mt. Lebanon Church for their hospitality and thoughtfulness to us.

A very special thanks is extended to each speaker who has challenged us in "Building Bridges of Concern" for our association.

To all who worked so faithfully for this inspiring session, we extend our deep appreciation.

As we depart today, we are thankful for God's presence in our midst and pray for His guidance through another year as he binds our hearts in fellowship and brotherly love.

A brief history of Glenola and Mt. Lebanon Baptist Churches follows.

A BRIEF HISTORY OF GLENOLA BAPTIST CHURCH

Glenola Baptist Church is the outgrowth of a community Sunday School organized in the Glenola public school house in January, 1909. The Sunday School experienced a rapid and steady growth and in 1914 the original church sanctuary was erected by residents of the community, under the supervision of J. Eugene Spencer and Walter McGee, on land given by Mr. and Mrs. N. C. McDowell, with the majority of the building material being donated by residents of the community.

Glenola Baptist Church was organized as a Missionary Baptist Church in 1917, by Judge W. H. Eller, a retired minister of Greensboro, N.C. for the purpose of ministering to the Spiritual needs and welfare of the community and to preach the Gospel of our LORD and SAVIOUR, JESUS CHRIST.

Contributions to the Spiritual growth and welfare of the church have been made by a number of faithful and dedicated pastors whom the LORD has sent to lead, guide and direct our steps. Our first full time pastor, the Rev. Charles J. McBride, was called in 1946, and under his leadership a new parsonage was constructed and in 1952, work was started on our present sanctuary and class rooms. The work was continued under the leadership of Rev. James Bolick and the first service was held in the new building on February 5, 1956. Under the leadership of Rev. Ralph Holcomb, the original debt was retired and a new building program began, consisting of the addition of the church steeple, paving the parking lot, air conditioning the sanctuary, and the construction of our fellowship building.

Our present Pastor, the Rev. Cabot Inman, began his ministry with us in February 1974. Under his leadership the entire church, and fellowship building have been carpeted, a new well and water system for all the buidings, the pews have been upholstered, new tables and chairs purchased for the fellowship building and a new addition and other renovations made at the parsonage. The final payment was made in September, 1982, on the church debt and brother Inman led us in a service of note burning, thanksgiving and praise to GOD for his blessings and goodness to us.

We are all very proud of our church and the influence it has in the community. We realize that only with GOD'S help could so much have been accomplished. Pray with us, that GOD will continue to bless and use our church for the building of living stones, for that spiritual building, that house not made with hands, eternal in the heavens.

Respectfully submitted,
Dewey Winford Shelton

A BRIEF HISTORY OF MT. LEBANON BAPTIST CHURCH

The Mt. Lebanon Baptist Church was founded in 1890, as a brush arbor. The church building was built in March 1892, with the Rev. J. R. Summey as the first pastor. The church was very strict and could withdraw fellowship for various things, even for non-attendance.

According to church minutes, on May 26, 1934, Rev. J. C. Edwards reported that all churches in Randolph County were neglected being just in the edge of Montgomery, Piedmont and Sandy Creek Association. Pastors of the 28 churches in the County were in favor of organizing a Randolph County Association. Sixteen churches joined to form the Randolph Association of which Mt. Lebanon was one.

The Lord has truly been great to the people of Mt. Lebanon and truly much could be said for the history and the pastors of this church.

ARTICLE VIII — ORDINATION AND CALLING OF PASTORS

Section 1. Inasmuch as the ordination of a man to the gospel ministry by any church in this Association is expected to be recognized by the denomination as a whole, the churches are counseled to be extremely careful in the matter of setting men apart for this sacred calling, ordaining only those who, by irreproachable character, piety of life, doctrinal soundness and suitable talents, give promise of honoring the name of Christ and of rendering acceptable service in the missionary Baptist ministry.

Section 2. To aid the churches in this vital matter, the Association will appoint each year a committee of five of the pastors to be called the Committee on Ordination. Any church desiring to ordain a brother to the ministry may request the Ordination Committee to act as a presbytery for the purpose of examining the brother according to the guidelines found under Duties of Ordination Committee.

Section 3. The churches are urged also to exercise the utmost care and wisdom, earnestly seeking the guidance of the Holy Spirit, in calling of their pastors, choosing only men who give evidence by their Christian character, cooperative spirit and leadership ability, that they will serve the best interests of the churches, the denomination, and the cause of Christ.

OVERVIEW OF OUR 50 YEARS
(Pageant Given at Balfour Church)

“And, lo, I am with you always, even unto the end of the world.”

Jesus spoke these words to his followers, but not just to those few gathered around him on the mount. Rather, these words were his promise of faithfulness to you and me and the countless saints yet to come.

In his speaking, Jesus recalled the demonstrations of his authority and power to the remembrance of his followers . . . to do his bidding.

“All power and authority in heaven and in earth have been given unto me.”

All Power! All authority! Both were given to him from above and he in turn has given them unto us. This is our promised inheritance and the encouragement we need to serve and minister in his name.

We celebrate the 50 year life of Randolph Baptist Association this night, yet, our conception goes beyond our 50 years. We began in the very heart and mind of Jesus Christ, himself. We are his product, his offspring, his bride . . . the Church. Let us also remember his words of encouragement and his promise of faithfulness. Let us stand firm without fear on his possessions of power and authority. And let us never forget this . . . his mandate . . .

“Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; teaching them to observe all things whatsoever I have commanded you; and, lo, I am with you alway, even unto the end of the world.

Throughout the 1700’s many people longed for a place to worship God and to do so in absolute freedom. It was this hope and prospect which lured many English and Welsh Baptists to come to America. Most of these people settled in Philadelphia, Pennsylvania, and the surrounding areas of New Jersey and Delaware. In 1703, a whole congregation of Welsh Baptists sailed from Wales and settled in the northern part of Delaware. This church became known as the “Welsh Tract Church,” and is the mother church to Baptists who settled the Cape Fear River and Pee Dee River areas of North and South Carolina.

Among those settling in the central sections of North Carolina was a colony of Baptists from New Jersey. Making their homes near the Yadkin River, these Baptists soon established a church and organized services of worship. Being “particular Baptists” they aligned themselves with the similar churches of the Charleston Association and carried on this union “in perfect conformity to that of Philadelphia.” Although this church displayed much religious fervor and loyalty to its members and community, it was found wanting in its missionary

zeal. Her pastor never made any missionary journeys and they established no new congregations of Baptists.

In 1725 and 26, the Great Awakening came to the churches of New Jersey and New England and later spread to the churches of the South. The great preaching of men like Jonathan Edwards of Massachusetts, George Whitefield, the English evangelist John Wesley, and Morgan Edwards, a Baptist of Philadelphia, brought a tremendous revival experience to America and gave Baptists the impetus they needed to grow. Their preaching was evangelistic in nature and placed a heavy emphasis on the conversion experience and the production of an "experienced religion" in its converts. The preaching was inspired and touched the lives of many people.

Among those influenced by George Whitefield's preaching was Shubal Stearns, a native of Boston and a Separate Congregationalist. In 1751, Stearns became a Baptist and brought with him a true zeal for evangelism and missions. It was this zeal that led Stearns to journey to Virginia in 1755. His hope and expectations for wide-spread acceptance of the gospel and growth of churches did not come true, yet, many valuable seeds were planted. It was here that Stearns met Daniel Marshall, and it was these two men and their small party of sixteen, who settled in the Sandy Creek area of Liberty.

There they erected a meeting house and established the Sandy Creek Association. In just 17 years, the association grew to include 42 churches in Virginia and North Carolina, had a total membership of over 600 and sent forth 125 ordained ministers to establish new churches.

From the labors of these men of God many seeds were planted and a bountiful harvest has grown.

In 1934, Herman T. Stevens, pastor of Asheboro Baptist Church, began to express his concern to other ministers in Randolph County about the need for a Baptist association in the county. Being aligned with four different associations already . . . the Piedmont, Sandy Creek, Montgomery and Liberty Associations . . . the Baptist churches of Randolph County experienced little Baptist unity or fellowship with each other.

Each church functioned independently from the other and their leadership began to feel it impossible to develop the churches as they should be without proper cooperation.

With this deep concern, Rev. Stevens invited several pastors of Baptist churches in Randolph County to his home on April 30, 1934.

The Lord often imparts His servants with a fervor and desire to see His work done and in the best manner possible. Many times differences of opinion exist and sometimes argument become heated; yet, the Holy Spirit is the force of God which brings His will to focus and light in the heart and mind of the believers.

This meeting of pastors was no different. The discussions about forming a separate association of Baptists was vigorous. After much discussion and prayer they agreed if sixteen churches voted to unite and form this new association of Randolph Baptists, then indeed the association would be formed. These men also agreed to meet and pray together about his matter each month until the answer to form or not to form was given.

On October 25, 1934, representatives from seventeen churches met in the school building at Franklinville, North Carolina, and formed the Randolph Baptist Association. During the meeting, those present established the structure for a permanent associational organization and adopted a constitution and

by-laws for the new Randolph Baptist Association. After conducting the business, they voted to have their first annual meeting at Beulah Baptist Church, on Thursday and Friday, before the fourth Sunday in October 1935. Reverend J. C. Kidd was elected to preach the annual sermon and they closed this historic meeting by singing the hymn "Blest Be The Tie That Binds."

The two days of that first annual meeting were filled with the hearing of business and reports, and many inspirational challenges for them to become everything the new association could become. Every session began with prayer and a period of praise to God for this and His many other wonderful blessings.

At the end of the annual meeting the association clerk stood and reported that "we now have 28 churches in the Randolph Baptist Association and they are Asheboro, Balfour, Beulah, Caraway, Cedar Falls, Central Falls, Center Cross, Deep River, Franklinville, Glenola, Gravel Hill, Huldah, Liberty, Macedonia, Maple Springs, Mt. Lebanon, Mt. Pleasant, Ramseur, Randleman, Riverside, Russell's Grove, Sandy Creek, Shady Grove, Union Grove, Westfield, White's Memorial, Worthville and Hughes Grove. Our present membership is 3,234 with an average Sunday School attendance of 1,945. This year we baptized 178 persons into the body of Jesus Christ. It's been a good year for the beginning of the Randolph Baptist Association."

Yes, indeed! It was a good beginning and during the next five years the spirit of the association grew and the work of the churches was greatly encouraged. By 1940, thirty churches composed the Randolph Baptist Association and its total membership was 4,048.

During the early 1940's the realization of the need for someone to coordinate the work of the association began to surface. As a means of strengthening the bond between local church and association, many associations began employing an associational missionary or field worker.

In the summer of 1944, the charge to assist pastors and churches in the many phases of Christian work came to Miss Daphne Boone from the Randolph Baptist Association. Daphne Boone, born and reared in Seagrove, was converted in a revival meeting at Seagrove Christian Church and soon thereafter baptized at Maples Springs Baptist Church. Before beginning her work with the Randolph Baptist Association, Miss Boone spent three summers working with the Baptist State Convention of North Carolina in the areas of Sunday School, Baptist Training Union and Vacation Bible School. Miss Boone found herself involved in many critical projects in the association, and through her effective work proved to the churches there was a genuine need for an associational missionary on a full-time basis.

Daphne Boone's work was important and has proven to be very significant to the work of the association, even today. She systematically arranged the written affairs of the association and has provided us and future Randolph Baptists with the lasting record of who we are and how we began.

Since the association was growing and someone needed to coordinate the work and ministry of the churches in the county, a resolution was adopted in the associations annual meeting of 1944, that . . . "The association employ a full time associational missionary as soon as arrangements can be made by the Executive Board."

On March 1, 1945, John T. Biddle was employed by the association as the first associational missionary. In his first report to the association, he projected the following goals:

*The establishment of a preacher's school.

- *Vacation Bible School Clinics.
- *An Associational School of Missions.
- *A Simultaneous Revival Effort.
- *The Publication of an Associational Paper.
- *A year-long Calendar of Activities.

Through the visionary ministry of John Biddle, as associational office and missionary residence was built on the corners of S. Main and S. Elm Streets.

The association, like a teenager, had begun to grow and mature in its ministry to the churches of the county.

On August 1, 1950, Barron E. Honeycutt, was called as the Associational Field Worker. He stated that his mission in the association was to strengthen the churches in their zeal for all missions. He lead in strengthening the organizations and developing cooperation among the church. Rev. Honeycutt only served one year and a half as Associational Field Worker. In early 1952, he accepted the pastorate of Greystone Baptist Church.

The 1950's proved to be an era of growth for the Southern Baptist Convention. New churches were continually being organized and the Sunday School Department was promoting with great enthusiasm its brilliant campaign of "A Million More in Fifty-Four." Southern Baptists enrolled more people in the study of God's word through Sunday School than ever before.

Our own association continued to grow and develop as well; and during the 1950's grew to 45 churches with a total membership of over 8,000. During this time the association called the Rev. R. T. Smith, a pastor from Greensboro, as the association's field worker or Superintendent of Missions as it was called then.

With a love of people and concern for the churches on his heart, he began to minister to and care for each of the churches in his charge. Because he placed a high priority on the fostering of an atmosphere of awareness and cooperation among the association's churches, he adopted the personal schedule of visiting each church throughout the course of the year and worshipping with them.

Three significant events surfaced in our remembrances of his ministry: **First** was the establishment of seven new churches: Armfield Heights - Calvary - Clear View - Forest Park - Jackson Creek - Seagrove, First - and Sophia. **Second** was the increasing of the associational staff, when a part-time secretary was employed to assist the work of the association. **Third**, the purchase of a new associational office on Old Farmer Road. This property and fully equipped building was purchased from the Methodist Conference for \$20,000, when it relocated the Westside Methodist Church, which had formerly occupied the site.

The 1960's and 1970's brought change, many changes to the American community and life style. The 1960's gave birth to nationwide events of rebellion and rioting in the streets, and the 1970's ushered in new ideas about life, civil rights and women's rights. Churches were affected during these years also. Young people began questioning the church and their own beliefs. Church organizations began to change to meet the changing needs of its membership, and the Southern Baptist Convention began its promotion of the Bold Mission Thrust.

With the retirement of R. T. Smith in 1977, Randolph Baptist Association set for its ministry goal the purpose of helping its churches grow through four base objectives:

Fellowship
 Church Development
 Evangelism and
 Missions/Ministry

In July of 1977, Randolph Baptist Association called A. Judson Rotan, a pastor from Albemarle, North Carolina, as its new associational missionary. To emphasize a new mind set for the work of the association, Mr. Rotan's title was changed from Associational Missionary to Director of Missions.

Mr. Rotan began this new work with a firm, four-fold commitment:

- *To enrich the fellowship of churches and their membership
- *To help churches grow and develop
- *To lead in reaching the lost and unaffiliated for Christ
- *To lead in meeting human needs and involvement in missions

These past seven years have seen the association:

*Develop a Master Plan for organizational meetings through Quarterly Leadership Conferences

*Double its monetary giving for the work of the association

*Enter into partnership missions with the West Virginia Baptist Convention and First Southern Baptist Church, Fairmont, West Virginia

*Assisted with the beginning of a continuous Christian ministry at the North Carolina Zoo and the Asheboro Prison Unit

*Conducted a survey of our county, with the assistance of the Baptist State Convention of North Carolina, to discover the religious needs of those around us.

These activities have led to the active involvement of men and women, boys and girls in the missionary endeavors of Christ. Many work teams from our association have journeyed to Fairmont, West Virginia, to help build a new church building there. We have also assisted in this area with Pastoral Aid for a new mission. Many Backyard Bible Clubs and other ministry support events have been conducted there by our own people. A revitalized zeal for missionary involvement is growing among our churches, and helping us to realize the goal of Christ to go into all the world.

Yet, even closer to home we have not forgotten our neighbors. The discovery of three townships in Randolph County without a Southern Baptist witness has led Asheboro's First Baptist Church to sponsor the establishment of the Cedar Grove Mission.

After fifty years of existence, Randolph Baptist Association is alive and well. God has given the association many great men and women to be a part of its history, and we are now looking to the future for men and women to arise to the even greater challenges. To paraphrase the words of the Apostle Paul:

"Not that we as an association have already obtained or are already made perfect. But forgetting the things which are behind us, and reaching forward to the things which are before us, we press on as an association - a family of churches, toward the goal of the high calling of God in Christ Jesus."

Amen and Amen!

SUNDAY SCHOOL REPORT

The focus of our Sunday School work during 1983-84 has been on Visitation and Outreach. This is one of the two main tasks of the Sunday School, the other being that of Teaching. During March, April and May, our ASSISTeam (Associational Sunday School Improvement Support Team) conducted several Visitation Skillsshops to help with this emphasis. They were conducted at Asheboro, First; Macedonia; Deep River; Asbury; and Sophia for the churches in these areas.

We also hosted a Regional Homebound Department Workshop during the Spring, 1984. This is an area that many of our churches can and need to start new units in the Sunday School. Organizational materials are available through the Sunday School Department of the Baptist State Convention, and the associational office. Teaching materials are available on your quarterly literature order form. Contact the associational office if you would like assistance in beginning a Homebound Department in your Sunday School.

"REACH 5 IN '85 IN SUNDAY SCHOOL" is the theme for this coming year. Promotional materials are available through the Baptist Book Store to use in this effort. It may be adopted for individuals, classes or departments. I encourage you to use this promotional emphasis to increase your Sunday School enrollment.

"Effective Workerships" will be conducted in the spring of 1985 to gain additional training to our Sunday School workers.

Watch the associational newsletter and Update, the Biblical Recorder, and other mail-outs from the Sunday School Department of the Baptist State Convention for other clinics and workshops to improve the quality of teaching and outreach through the Sunday School in your church.

8.5 by '85 will be drawing to a close on September 30, 1985. Set goals now to do your churches part to help Southern Baptists reach 8,500,000 people enrolled in Sunday School by September 30, 1985. Why? Because each number represents another person involved in Bible study and being offered an opportunity to respond to the gospel.

"Go quickly into the streets and alleys . . . country lanes and out behind the hedges and urge anyone you find to come, so that the house will be full.

ANNUITY BOARD REPORT

The Annuity Board sends a retirement benefit check to over 13,000 Southern Baptist annuitants each month. This means that this number of Southern Baptist homes receive help each month in meeting their obligations. Unfortunately, most of these retired servants receive less than adequate retirement incomes. Many served churches which did not provide sufficient funds needed to build a sound retirement benefit. Along with that fact, inflation continues to eat away their retirement income.

The Annuity Board is the Southern Baptist Agency that administers the retirement and insurance program for the Southern Baptist Convention and helps meet the daily living needs for so many of these servants who have given their lives to the cause of Christ in a Southern Baptist Church. For a moment, try to imagine yourself living on less than \$200 per month. This is hard to conceive in today's economy. The hard fact is that approximately 80% of the retired ministers or their widows in the Southern Baptist Convention try to live on this amount. But that's not all the facts. Approximately 50% of them get less than \$100 per month. The Southern Baptist Convention average for all annuitants is \$142 per month.

Let's bring this message a little closer home. In North Carolina, there are some 1,321 annuitants. Out of this number, 681 receive \$100 or less per month. Around 415 of this number receive from \$101 to \$200. This leaves 225 annuitants receiving over \$200 per month!

The Annuity Board and the Baptist State Convention work hand in hand in trying to improve this situation. One bit of exciting news is the new program, along with improvements, which will take effect on January 1, 1988. Whereas the Baptist State Convention contributes \$200 per year to your pastor's

retirement program, beginning in January 1988, the convention will contribute up to \$420 per year. This will mean that \$210 will be going into actually building a retirement income for our ministerial career church staff personnel. This will represent a vast improvement.

It is obvious that one of the great needs is planning for those retirement years. In a recent survey done by Gurman and Johnson of Transitions Planning, Inc., it was found that 85% of employees at all levels, upon reaching retirement, had done no serious planning for themselves. In another recent survey closer to home, it was revealed that the average Baptist pastor spent more time each year in planning a two-week vacation than in planning for approximately one-fourth of his life which he will spend in retirement years!

MISSIONS COMMITTEE REPORT

The Missions Committee has met four times during the year to fulfill our responsibilities. Several of the things that were our main concern were:

(1) Cedar Grove Mission: We have followed with great interest the progress of the mission. They have been meeting in a disbanded church building near Amity Hills Baptist Church. They continue to have around forty. During the year, Asheboro, First Baptist voted to be the sponsoring church. Also they called as their pastor, Merritt York, a second-year student at Southeastern Seminary. As this report is being written the mission is in the progress of purchasing land on Old Highway 49, near Farmer.

(2) Our participation in West Virginia has been slow this year, both financially and group involvement. Because of lack of response, the Mannington Mission near Fairmont, West Virginia was disbanded. Our pastoral assistance of \$200.00 was ended in January, 1984. There has been several groups of men from our churches that have been on work assignments in West Virginia. Our mission still has the concern of West Virginia at our heart to help the churches to be stronger churches. Our suggestion for 1985 is that we will increase our involvement in M.A.P. (Mission Action Project) and give financial assistance where needed.

(3) M.A.P. has been slow also this year. We have had only twenty-five members to participate with \$1,250.00 contributed. The Missions Committee re-affirms its commitment to the purpose of MAP and will make extra effort to enlist more people in M.A.P. We join with the Budget Committee in recommending that our mission section of our budget be through M.A.P. Please read Section V on the budget for details.

(4) Missions Committee had a called meeting on October 1, 1984 to hear and examine the Victory Baptist Church of Seagrove, who petitioned the Randolph Baptist Association for membership. Some statistics about the church.

1. Constituted and chartered in January, 1984 with 108 members.
2. Present membership 120.
3. Average attendance in Sunday School is 105.
4. They have a full program for music and youth with persons paid to lead.
5. They called Johnny Henderson, of Statesville, N.C. to be their pastor on September 1, 1984.
6. They have adopted the Church Covenant and *The Baptist Faith and Message* as their Articles of Faith.
7. Their charter states that they will "cooperate with the Randolph Baptist Association, North Carolina Baptist State Convention and Southern Baptist Convention."
8. They will give a percentage to Cooperative Program and Associational Missions.
9. The Proposed Budget for 1984-85 indicates:

Cooperative Program	\$2,000.00
Associational Missions	\$400.00
Total Missions	\$12,000.00
Total Budget	\$91,223.00

The Missions Committee having met and discussed with the pastor and two church leaders - Stan Beck and Nancy McNeil, we recommend that the Victory Baptist Church of Seagrove be brought under watchcare of the Association during this year of 1984-85.

CHRISTIAN LITERATURE REPORT

As we all know much of our Baptist church literature is produced by the Sunday School Board through the Broadman Press and the Holman Bible Division. Also large quantities of mission literature is produced by such agencies as the Foreign Mission Board, the Home Mission Board, the Brotherhood and WMU Headquarters. Statistics show that in the past year some 9,032,525 copies of Home Life were circulated; 901,149 Living With Series; 1,127,972 Christian Single; and 3,110,283 copies of Mature Living were circulated. Church music enrollment increased by 1.7 percent. There were some 530,000 Baptist Faith and Message pamphlets distributed.

There were also a significant number of new products introduced this past year. Broadman introduced 581 new products including 102 books, 4 motion pictures, 45 filmstrips, 5 videotapes, 46 audio cassette, 7 tape tracts, 7 recordings, 4 choral or vocal collections, 5 choral works, 3 preschool books, 61 octavos, 18 instrumental parts, 13 instrumental collections, 15 cassettes, 27 handbell pieces, 158 new church supply items, and 61 Spanish items. During the same period, 729 old products were dropped by being declared out-of-print or out-of-release. Those dropped included 120 books, 174 supplies, 46 audio-visuals, 247 pieces of music, and 142 Spanish items.

Among the new books published, perhaps the most significant were Symbols of Salvation, Life Without Compromise, Holding the Ropes, and four volumes of the Layman's Bible Book Commentary.

Some of our best sellers each year come from the backlist of previously published materials. In 1982-83 this list would include the Good News Bible, Layman's Bible Book Commentary (20 volumes), and "Biblearn" series (24 volumes), Concentric Circles of Concern, Word Pictures (6 volumes). Each of these produced about \$50,000 or more in sales.

The Holman Bible Division also made a considerable contribution to our literature this past year. Holman introduced 55 new products during fiscal 1982-83. The King James Version Giant Print Reference Bible was the most significant item released during the year. Holman also introduced the King James Version Loose Leaf Bible. Products planned for the immediate future include a King James Version Center Column Reference Hand Size Bible, a King James Version Preschool Bible, and a Disciple Youth New Testament. The latter two products are being produced to meet specific needs of Sunday School Board components.

Then last but not least is our own beloved *Biblical Recorder* which does such a fine job keeping us informed about the work of our churches, our schools, orphanages, homes for the aged, and our mission work at home and abroad. Also a fine job is done presenting the different view-points of our leaders and fellow-workers. May our appreciation of this good paper and its editor, R. G. Puckett, continue to grow as the years pass.

EVANGELISM COMMITTEE REPORT

The Evangelism Committee has met only twice this year. During the latter part of the year several pastors on the committee moved from our association.

In the two meetings, much of the discussions were on plans for the 1986 Good News America Nationwide Crusade. Being deeply aware of the great need to reach persons for Christ in our county, we would like to recommend to our association the following:

- (1) That we as Randolph Baptist Association participate in the Good News America Simultaneous Revivals in 1986. Our suggested week is March 23-30, 1986.
- (2) That during 1985, we conduct several preparation clinics and Witnessing Training clinics for our people.
- (3) That with the Evangelism Committee, other committees be formed from among our church leaderships for promotion and publicity and church involvement.

- (4) We encourage pastors to attend the State-Wide Evangelism Conference and the Regional Evangelism Conference for further help and training on Good News America.

A BRIEF HISTORY OF FRANKLINVILLE, FIRST BAPTIST CHURCH

The First Baptist Church of Franklinville was organized in October 1887. Thirteen members made up the charter roll. This new organization grew out of the faithful work of pastor, Rev. J. F. Moore. The first building was built in 1887 and was named Moore's Chapel in honor Rev. Moore.

The church united with the Piedmont Association in 1895. In 1934, a meeting for organizing the Randolph Baptist Association was held and Franklinville Baptist along with other neighboring churches united, forming the association.

In 1937, the church celebrated its 50th anniversary. Rev. H. M. Stroup was the pastor at that time.

The church grew continuously under the leadership of God's men. The need for more space prompted an extended building program in the 50's with 3 phases being started in 1950. The third unit was completed and in use in 1959. Steve Davenport served as pastor shortly after this period. Steve and his wife Bonnie are presently serving as foreign missionaries in Argentina.

Rev. M. A. Pegram was called as pastor in August, 1964. A new parsonage was built and a new sanctuary completed and paid for in the years he served. Rev. Pegram served until 1981. Rev. Dan Wood came at that time and is presently serving as pastor. A new constitution was adopted by the church and it was decided to change the name to First Baptist Church of Franklinville.

Although the church membership and attendance are not at the highest level, at present many opportunities for worship and Bible study are available. The debt free sanctuary will seat 300 people for worship and fellowship with a spacious educational building for Bible study and training. The missionary organizations have been reactivated and vitalized and a church van was purchased for various activities.

A BRIEF HISTORY OF SANDY CREEK BAPTIST CHURCH

Sandy Creek Baptist Church was founded on November 14, 1755 by Shubal Stearns and his band of Separate Baptist immigrants from New England. These 16 people became the first members of the Sandy Creek Baptist Church. They began worshipping in an enclosed area of bushes. However, in a short time they had built a log cabin in which to worship. In two years their congregation of combined churches totaled 606 members. In the first 17 years, 42 churches were established and 125 ministers sprang forth.

Shubal Stearns was born in Boston, Massachusetts on January 28, 1706. As a young man he attended the Congregational Church. A few years after his

conversion, at age 34, Stearns became very prominent in the New Light Church. The term "New-Lights" or "Separates" was applied about 1740 to the New Englanders who became followers of George Whitefield. They were called "Separates" because of the desire to separate themselves from the Congregational Church.

After a careful study of the Scriptures, Stearns became convinced that the infant baptism that was practiced by this faith was contrary to the teaching of the New Testament. After much meditation and prayer, he embraced the principles of the Separate Baptist and was baptized by Rev. Wait Palmer in 1751. In that same year Stearns was ordained.

Stearns felt strongly that God had work for him to do outside of New England. In 1754 he moved to Opeckon Creek, Virginia. After receiving reports concerning an area in Piedmont, North Carolina, Stearns, his wife, and 14 others got under way. They arrived at Sandy Creek on November 14, 1755.

Sandy Creek Baptist Church is thought by many people to be the "Mother Church of the Southern Baptist Convention." Many people also believe that this church had more influence on Baptist history in the south than any church in the world.

Today the church has a full-time Southern Baptist program with a total church membership of 155 and a Sunday School enrollment of 98 members. Rev. Jimmy Cain is serving as pastor at the present time.

CHURCH TRAINING REPORT

The need for training our church members is ever the more important in the days in which we are living in where there is all kinds of doctrines floating in the midst. Baptists have always stood firm on Eph. 4:12 "to equip the saints for the work of ministry." What does it take? It takes an in-depth study of certain areas. Many times we only have a shallow understanding of things we need to have.

Doctrine

Ethics

Polity/Organization

Teaching skills

History

These areas are what Church Training is all about. Our Associational Church Training team is willing to help you in any way that you might need it. They have been trained in a special conference last January at Caraway for two days.

As we look at last year, our big event was of course "M" Night. We met at First Church, Franklinville with a total attendance of 96. Key events in that meeting were a demonstration of Children's Bible Drill, a puppet show on Church Training, and special music by Asheboro, First ensemble. The message was by Kenneth Ridings. Our theme was "Developing Believers."

Our other event this past year was a Pastor/Church Training Director Interpretation Dinner held at the Sir Robert Restaurant. 35 were present representing 12 churches. Much information was given by our Church Training State Directors, Maurice Cooper and Jim Simpson. This meeting has stirred some interest in the area of Church Training in our association.

Let us not forget about our "M" Night this year. It will be at First Church, Randleman and our theme will be "Bringing Together Evangelism and Missions." The date is November 26 at 7:30 P.M.

We hope you will be a part of Church Training this year. Please keep the associational office informed on what you are doing in Church Training so it can be put in the newsletter. Let's have a good year together in Church Training as we serve our Lord.

BUILDING AND GROUNDS REPORT

The Building and Grounds Committee has met once this year to discuss the upkeep of the associational property and building. Because of limited funds in the treasury of the association, we were not able to do several things around the yard.

(1) Re-seed the yard with grass

(2) Re-dress the shrubbery with fertilizer and mulch

Again we hope during 1985 to continue to make the outside improvements that will enhance the beauty of our associational facilities.

One big project that will need to be done in the next several years is the paving of the drive and parking lot. We spent \$1,000.00 last year with crushed rock and grading. Because of the drainage, the drive and parking lot is washed bad during rains. Paving the area would solve most of our problems.

DIRECTOR OF MISSIONS REPORT

At the annual meeting last year we agreed to let 1984 be a year of study, listening and planning for a five-year program for 1985-90. During this year at least five sessions were conducted with pastors and lay-leadership. We, as your staff (office secretary and myself), conducted ten associational awareness presentations this year. The Associational Council has met several times and brainstormed the Associational Priorities that I presented last year as our guide for strategy planning. This has been a good year of listening and planning for our next five years.

Growth pains developed this year as we adopted an expanded program but finances did not come in from the churches to support the expansion. As a result, the entire year has been a financial crisis. Many programs and events were not developed or they were cancelled. These are the first to be cut, because maintenance and operational expenses must be paid. The Budget and Finance Committee studied and worked on this matter throughout the year. They discovered that very few churches have increased their gifts to the association during the past several years. They issued a challenge to the churches to give 3% of their undesignated gifts. A comparison was sent to the church leadership in finances, giving their potential and what they are giving now. Reports of increases in our churches for the coming year have been very promising, so the future looks much brighter.

In the spring, we did a study of our associational growth. One of the areas we discovered was Sunday School attendance. It was essentially the same in 1983 as it was in 1979 - five years ago. Our county has experienced a 20% increase in

population since 1970 and continues to grow at a rapid rate. Studies show from census data that out of the 92,000 population, 49,000 are affiliated with churches in Randolph County, and 42,000 are unaffiliated. They are unreached persons for Christ. On an average Sunday, we will have around 4,500 in Sunday School attendance out of 10,500 church memberships of Southern Baptist churches. One of the greatest challenges our association and its churches has to face is the unreached persons in our county and the opportunity of sharing the love of Jesus Christ with these people.

If we are going to meet this challenge we will have to expand our vision and move beyond the attitudes and patterns of the last five (5) years or even ten (10) years. We will have to facilitate growth inside our churches. We will have to start new ministries to special groups of people to let them know the church really is the instrument of Christ's love. Above all else, each of us must accept our individual responsibility to share the love of Christ with all. The base strategy for 1985-90 will help us to reach out and win the lost and develop the believers.

Finally, the 50th anniversary has been an exciting event. Just think, fifty years of existence. In many ways, we are young as compared to other associations. But on the other hand, we are mature in our existence with fellowship and ministry of older churches. Our past fifty years are something to be celebrated, but should and ought to be our challenge for a greater ministry for the future. My prayer is that it will be so.

This has been a busy year. Many activities, events, and concerns have involved my participation and assistance. Some of the things that makes my work enjoyable are the following activities I have been involved with this past year.

A. I preached, visited or participated in:

- 32 churches

D. From the Associational Office, we have sent out:

- 8,000 Randolph Baptist Newsletters
- 3,000 Update to leadership

E. I have traveled around 24,000 miles in the work pertaining to the association.

As I have visited the churches and shared in the activities of the association, it is exciting to be a part of a group of churches who are excited about being on mission for our Lord. My prayer is that we will become more and more involved in that mission, especially in the next five years.

Thank you for letting me serve the Lord Jesus Christ with you.

FIVE YEAR PROGRAM 1985-1990 RANDOLPH BAPTIST ASSOCIATION

The Associational Council would like to re-affirm that the basic objectives of the association are:

1. FELLOWSHIP - Enriching the fellowship
2. EVANGELISM - Reaching persons for Christ
3. CHURCH DEVELOPMENT - Helping churches to grow
4. MISSIONS/MINISTRIES - Ministering to the needs of persons

As we plan for the next five (5) years, the Associational Council arrived at six (6) purposes for the association through these years.

The Randolph Baptist Association is a family of churches whose purpose is:

1. To demonstrate Christian fellowship.
2. To bear witness to the Biblical doctrine and principles of the Baptist faith,
3. To assist local congregations in their tasks of worship, evangelism, teaching, training, and ministering,
4. To identify opportunities for new work and new ministries,
5. To cooperatively engage in missions, evangelism, and ministry in the association, and
6. To cooperate with the North Carolina Baptist State Convention and the Southern Baptist Convention in World Missions program in magnifying the Lordship of Jesus Christ and in extending His kingdom upon the earth.

From these purposes the association will determine its goals and action plans which will constitute the annual program.

The Associational Council offers the following theme and special emphasis for these five (5) years.

- 1985 - Spiritual Renewal and Preparation
- 1986 - Evangelism (Good News America Crusade)
- 1987 - Missions (World Missions Conference)
- 1988 - Discipleship (Bible Conference and Stewardship)
- 1989 - Family Life (Family Life Conference)

From these objectives and purposes of the association, six (6) priorities have emerged as focus for our work together for the next several years. All are of top priority and none second to the other. They are:

1. FELLOWSHIP

- a. To build a stronger sense of fellowship both within and between churches.
- b. To increase the feeling of inter-dependence of team spirit, of being in fellowship on mission.

2. COMMUNICATION

- a. To develop a better image of Southern Baptists in Randolph, including non-Baptists.
- b. To inform our churches and its membership fully of the work and ministry of the association.

3. EMPLOYED LEADERSHIP

- a. To inform every church in the association of the work and ministry of the association through interpretation presentation.
- b. To be an Enabler in offering help in goal-setting and in assistance to churches.

4. TRAINING AND DEVELOPMENT

- a. To provide top quality leadership training for every church program organization as well as other areas, such as stewardship, deacons and Pastoral ministry.
- b. To specialize this training to meet the needs of varying size and types of churches through central, area, or individual training events.

5. SPECIAL MINISTRIES

- a. To develop and expand programs of mission/ministry to special areas of the population, both in the county and outside the county. EX. Students, Singles, Senior Adults, Divorcees, Youth, Apartment Dwellers, Mobile Homes, etc.
- b. To assist other denominational groups in ministry to alcoholics, youth offenders, battered women, prison and jails, etc.
- c. To encourage mission-minded persons to be involved in short-term home and foreign missions projects.

6. GROWTH

- a. To develop a climate of healthy growth in reaching people through churches and in the stewardship of the church's resources.
- b. To encourage the development of new missions and churches.

Each year, the Associational Council will let the objectives, purposes and priorities be the guidance principle for developing annual goals and action plans. If we will pray, plan, seek God's Holy Spirit, God will bless our associational work.

Each church is encouraged to use these ideas for their planning and direction for their ministry during the next five (5) years, 1985-1990.

Also we will promote the Bold Mission Thrust 1985-90 for Denominational Emphasis for the Southern Baptist Convention. They are:

I. REACH PEOPLE

Bold Mission Thrust goals can be met as churches accelerate efforts to share the gospel with all persons and to develop New Testament churches.

A. GOALS

1. 10 PERCENT INCREASE IN BAPTISMS PER YEAR.
2. 5,000 NEW CHURCHES ORGANIZED BY SEPTEMBER 30, 1990.

ACTION GOALS FOR ASSOCIATIONAL PRIORITIES

I. FELLOWSHIP GOALS

1. Divide the association into three sections, RANDLEMAN-ASHEBORO, SEAGROVE, RAMSEUR-LIBERTY, and encourage opportunities for fellowship and missions with the groups such as the exchange of pulpits and choirs and the sharing of other joint fellowship and mission opportunities.
2. Urge all churches to be represented at the annual associational meeting and the semi-annual meeting in the spring.
3. Organize area meetings for church leadership to have fellowship and share in the needs of the association-town-meetings concept.
4. Increase the attendance and participation in the Executive Committee Meetings, Pastor's Conference, and Chairman of Deacons' Conference.

II. COMMUNICATIONS GOALS

1. Development of program, designed to communicate to our churches and county who Southern Baptists are.
 - a. This can be done through pamphlets in the resource center, films and video tapes, local newspapers and through special presentations.
2. Produce a slide presentation which will introduce our associational work and communicate the purpose and programs of Randolph Baptist Association and present it in 1/3 of our churches each year for three years.
 - a. Also produce a video cassette tape for the same purpose.
3. Provide the *Randolph Baptist* for everyone in the association who wants it and send the *Update* to all leadership in the churches.
 - a. Seek to improve and update the newsletter each month.
4. Produce and print an *Associational Handbook* for all the leadership in the association and for leadership in the churches, that our people may know the inner workings of the association and the duties of the officers, committees and staff of the association.

III. TRAINING AND DEVELOPMENT GOALS

1. To provide at least one association-wide central training opportunity each year for each of the organizational areas.
2. To encourage local churches to provide study courses for diploma for organizational leadership.

3. To train and make available two ASSIST teams to the churches for leadership guidance and training, and who will conduct area workshops for Sunday School leadership.
4. To publish annually and make available to all leadership within each church a handbook of personnel who are specialists on resource persons in the various church program areas.
5. To provide a lending library of video cassette tapes and equipment, available for use by the individual churches.
6. To increase leadership development in the association by providing a specialist in each of the church organizations and provide expenses for their training.
7. To explore the possibilities of securing BTN for associational and church-training events.
 - a. BTN stands for Baptist Telecommunication Network.

IV. EMPLOYED LEADERSHIP GOALS

1. To visit in each church at least once a year.
2. To emphasize the Church of the Week for prayer and recognition.
3. To share a presentation to churches about the association; what is an association, its history, its objectives and its programs and polity.
4. To dialogue throughout the year in each area with the pastors about their needs and the needs of the churches.
5. To share the resources of the association.
6. If beneficial, to establish one day each week in Ramseur-Liberty area and the Seagrove area, being available to pastors and church leadership.

V. SPECIAL MINISTRIES GOALS

1. The association, through a special Christian Social Ministries Committee, assist at least five (5) churches per year for the next five (5) years to identify ministry opportunities, and help them find resources which will enable them to minister effectively.
 - a. It is suggested that the Social Ministries Committee be composed of the Associational WMU and Brotherhood Directors and two WMU Directors and two Brotherhood Directors in the churches.
2. Establish a student ministries program to Randolph Technical College for Baptist students, and find ways to minister to their needs.
3. Continue major support to the Zoo Ministry and Prison Chaplaincy Ministries.
4. Involve lay-persons in ministries in the U.S. and overseas on a continuous basis for mission efforts for the next five years.
5. That the Christian Life Committee lead the association to adopt a major social/ethical issue each year for the next five years to be emphasized on an associational-wide basis.
6. To seek ways to secure ACTS for an evangelistic and missionary outreach to the county.
 - a. ACTS stands for American Christian Television System.

VI. CHURCH GROWTH GOALS

A. Church Membership and Baptisms

Our membership has declined from 14% of the total population (76,358) in 1970 to 12% (91,861) in 1980. The overall population is growing much

faster than our churches. At present we baptize only 2 people per 100 members each year. We had 191 baptisms in 1983.

GOAL 1. To advance by a ratio of .5 persons per 100 for 5 years to our annual associational rate of 5 people baptized for each 100 members by 1990.

GOAL 2. To grow in church membership by 3% each year for the next 5 years.

B. Sunday School Enrollment and Attendance

In 1970, the Sunday School enrollment equaled 98% of the resident membership. In 1980, that figure had dropped to 85%. The Sunday School needs to regain its position as the outreach organization of the church.

GOAL 3. To reverse the downward trend in Bible Study enrollment, so that by 1990 the Sunday School enrollment will equal 90% of the resident membership.

C. Training for Growth

If the other church growth goals are to be realized, our people need to be motivated and trained to reach people.

GOAL 4. To give every church in the association an opportunity to conduct either a church growth seminar (Spiritual Direction Weekend) or have a qualified person to lead in a church growth study by 1990.

GOAL 5. To support the trend of the church growth emphasis by continuing to have at least one major associational seminar led by a "Name" leader in the field of Church Growth yearly through 1990.

D. Stewardship in Associational Missions

Our churches are currently giving an average of 1.5 for Associational Missions.

GOAL 6. To average 3% of undesignated receipts of all cooperating churches for Associational Missions by 1990.

GOAL 7. To encourage at least 75% of all churches to be giving 3% of their total undesignated receipts to Associational Missions, with the remaining 25% giving more than the challenging amount of 3%.

E. New Work

In 1960 we had one church for every 1,818 persons in the county. By 1980 it had dropped to one church per every 2,187 persons. There are three townships that does not have a Southern Baptist church, two having a 50% or more increase in population since 1970. Providence - 116%; Level Cross - 55%; and Concord - 16%.

GOAL 8. To begin three new works during the next five years. (Survey by Baptist State Convention indicates we need to start six new churches and four new missions in particular areas of the county.)

These items have been divided for the sake of clarity and do not reflect any total increase for 1985. The Executive Committee made a significant increase on February 13, 1984, due to an increase in premiums for Health Insurance, information that was not available when the 1984 budget was prepared.

BAPTIST HOSPITAL REPORT

During the past year Baptist Hospital admitted 24,577 patients for a total of 218,735 days of patient care. There were 211,547 outpatient clinic visits and 31,930 visits to the emergency room. Surgical procedures totaled 11,816 including 700 open heart operations and 20 kidney transplants.

Several clinical advances during the past year serve as examples of the hospital's quality care. (1) Neurosurgeons have developed a new procedure for treating head injuries which has resulted in our having the lowest mortality rate for patients with this type of injury of any major medical center in the world. (2) Improvements in perinatal care with special emphasis on prevention of preterm labor have resulted in a lower infant mortality rate and in a 15% reduction in the number of babies in Forsyth County needing to be admitted to the intensive care nursery. (3) A new treatment offers relief without surgery for many patients suffering from ruptured vertebral discs. (4) Many patients with kidney stones should benefit from the use of new equipment being acquired in the Section on Urology. It uses ultrasound to break up stones of the urinary tract so that, in many instances, surgery is not necessary.

The School of Pastoral Care during the past year provided clinical pastoral education to 276 ministers through 47 clinical-pastoral programs. Chaplains in the Department of Pastoral Care made more than 33,000 visits to patients, families of patients, and hospital staff. The department also provided more than 20,000 hours of pastoral counseling at its various centers in Winston-Salem, Fayetteville, Raleigh, Morganton, and Charlotte. This program is supported in part from gifts through the Cooperative Program which amounted to \$515,556 during the past year. Dr. J. Dewey Hobbs began his work on March 15 as the new director of the Department of Pastoral Care.

The hospital received \$351,801 through the North Carolina Missions Offering during the fiscal year. A total of 418 patients received financial assistance on their bills through this fund. These bills ranged in size from \$20 to \$21,000.

The trustees, staff and especially the patients at Baptist Hospital are deeply grateful to the Baptist churches for their continuing support.

BAPTIST RETIREMENT HOMES OF NORTH CAROLINA, INC.

Through many special individuals, blessings of great significance are coming to the Baptist Retirement Homes.

Through this annual report, I want to share with you some of the events and activities that are blessing the lives of residents through the special people who are giving unselfishly of themselves to the ministry of the Baptist Retirement Homes. Heading the list of special people are you — North Carolina Baptists. From October, 1983-April, 1984, you gave 26.3% of the Homes' total income through your Cooperative Program, North Carolina Missions Offering and special gifts. This support covered 77% of the Homes' benevolent care ministry. Benevolent care projections for the fiscal year ending September 30, 1984, are running at about \$1,000,000. During the 1983 fiscal year, mission support was \$306,000 less than the need.

The 1983 change in the Homes' Cooperative Program allocation greatly added to the support which you have given. May I add that your prayer support, your personal encouragement and visits are also greatly appreciated because they mean so much to the residents, staff, and to the ongoing effective ministry of the Homes.

In an effort to more effectively depict the ministry which the Homes are rendering, the Trustees voted to change the Homes' name to the Baptist Retirement Homes of N.C., Inc. The name change was approved by the Convention during the 1983 session. I'm grateful for each of our Trustees. They are rendering an invaluable service and ministry to older adults through their commitment to the ministry of the Retirement Homes.

Operating expenses for the Homes' ministry increased approximately 3% during the 1983 fiscal year. Currently, expenses are running 3.6% ahead of the same period last year. The 220 Baptist Homes' employees are responsible for such a modest increase. They are truly a special part of the Homes' ministry with older persons. Faithful staff members and their dedication to the Homes and the residents add an important plus as the Homes minister with older persons.

For the first time in the Homes' history, a state-wide Capital Funds Campaign has been undertaken. Fred Lovette, retired President and Chairman of the Board for Holly Farms, has given unselfishly of his time to pull together key leaders across North Carolina to formulate an Advisory Team and leadership people to raise \$2½ million through the "A Call to Remember . . ." Campaign. Gifts to the "A Call to Remember . . ." Campaign are going to be used to renovate and update the Hayes Homes facility. Plans include a new kitchen facility, support facilities for the Nursing Care Unit, and improvements to the grounds of the Hayes Home Campus.

In closing, we must realize that long-term care of older persons means just that. Life expectancy figures indicate that the Homes can anticipate providing approximately 8 years of care for 80 year old residents. Also, the growing segment of our population is the 65 plus group. I feel that as Baptists we want to be on the cutting edge of an effective ministry with this growing group of individuals. Through your continued support, the work of Trustees and the continued effective service of the staff, we can be and must be the hope for many older people in our state. I trust your support and encouragement will grow in proportion to the needs that we have as a ministry with older persons. Our doors are always open to your visits, calls and inquiries for admissions, etc.

Please let us hear from you that together we might work to be an effective ministry for our Lord.

The Homes' 33 year heritage has been marked by the deepest concern and the most genuine of Christian love for the older persons who have made their "homes" in the Baptist Retirement Homes. Our mission is challenging as we endeavor to meet the growing needs of our older population. Truly, our future is as bright as the promises of God Himself and the love and support that you give as North Carolina Baptists.

William A. Poole
President, Baptist Retirement
Homes of N.C., Inc.

COUNCIL ON CHRISTIAN LIFE AND PUBLIC AFFAIRS REPORT

This has been an extremely busy year for the Council on Christian Life and Public Affairs. Through its three departments, it has provided a variety of field service events and educational resources for North Carolina Baptists. Associational Christian Life committee members were trained and guidance on a wide range of social and ethical issues was furnished to churches and associations. June was promoted as World Hunger Month and our churches increased their giving significantly over that of 1983. The Council made available bulletin inserts, posters, world hunger calendars, and hunger banks, in addition to free offering envelopes.

Department of Christian Family Life

A wide range of family life events was led by the department's director. Included were five associational or church-wide Family Enrichment Conferences; six marriage enrichment retreats in addition to sponsoring the annual three-day clergy couples MER Retreat in January and the four-day Leadership Training MER; two area-wide single adult seminars, a church single adult event, and preaching at a single adult Sunday observance; spoke at two Better Homes Clubs and two church night family emphases on topics such as "Domestic Violence," "The Family Coping with Suicide and Depression." The Director received training at Ridgecrest in the new Family Ministry Parenting Enrichment model "Parenting by Grace" and led two four-day "field tests" in two churches. This model will be available next year for the final "Strengthening the Family" emphasis on parenting. A Christian Family Lifestyle workshop, "Opening the Windows of the Family on the World" was available in four sites over the state.

Leadership was offered at four Director's of Missions regional Planning meetings in the new *Family Ministry Associational Program*; two *Strengthen the Family Leadership Workshops*; one Pastor's Conference; the *Bi-Vocational Minister's Conference* at Caraway; the *Fall Festival of Marriage* at Ridgecrest and chaired the Family Ministry Section of the two-day Director's of Missions - Home Mission Study.

Two Family Life Conference presentations on marriage and parenting were video-taped for use by the churches of the convention through the Communications Department.

Consultations by the director assisting churches, associations, and pastor in

their crucial task of strengthening family life were offered. Two conferences for pastor's wives were underwritten by the department.

Department of Aging

The department continued to expand its ministry with senior adults across the state. Twelve senior adult leadership workshops were conducted with more than 500 persons in attendance from 180 different churches representing 42 associations. In addition, five conference/retreats were held at Caraway Conference Center with close to 800 persons participating. The department cooperated with the Christian Family Life Department in several family life conferences with sections for senior adults. Several "You and Your Aging Parent" seminars were conducted. The mailing list for *Contact*, a newsletter containing information for senior adult clubs in the state convention was greatly expanded. Senior adult ministries continue to grow rapidly in North Carolina Baptist churches and a new emphasis on the associational model for senior adult ministries has emerged this year.

Department of Christian Citizenship Education

The work of Christian Citizenship Education has centered on two types of activities: voter participation and legislative information. Voter registration and turnout remain low. In the May primaries, for example, only about a third of the North Carolinians of voting age went to the polls. This Department has encouraged Baptists to register and to vote by making available a bulletin insert, used in more than 300 churches, which supplied necessary information and encouraged participation. The Legislative Information Network has continued to provide reports on the work of the General Assembly to about 800 contact persons in churches throughout the state. The legislature met briefly in early March to redraw several of the state's legislative districts in ways that provide fairer representation to some of the state's minorities. In the summer, the General Assembly convened for its regular short session, at which time the budget was fine-tuned for the 84-85 fiscal year. A significant part of the money allocated during the short session went for education, primarily as salary raises for teachers and other personnel. A Moral Concerns Rally in the South Roanoke Association helped alert Baptists to the growing menace of legalized gambling.

World hunger continued to be a matter of concern to many Baptists. Once again June was designated as World Hunger Month in North Carolina. The Council made available bulletin inserts, posters, hunger banks, placemats, giving guides, and pamphlets, in addition to world hunger offering envelopes. North Carolina Baptists' response to hunger took on two new forms this year. First, the NC/Togo Partnership channeled some of our financial contributions and the efforts of a host of volunteers into an exciting missions effort to help some who are hungry and thirsty in the small West African country of Togo. This Partnership will continue for another two and a half years. Second, the NC Hunger Fund began to give assistance to churches and associations combating hunger here at home. Already this money has been used in exciting and worthwhile ministries, helping, for example, to provide hot meals for the elderly in Belhaven and to make food available to migrants in rural parts of Wake County. North Carolina Baptists, like those across the Southern Baptist

Convention, continue to give increasingly large amounts to help the hungry, but so much remains to be done. While our giving in 1983 was the highest ever (and is running even higher thus far in 1984), the average Southern Baptists gift was less than 75 cents for the entire year.

ORDINATION COMMITTEE REPORT

The Ordination Committee examined one candidate during the year for the purpose of ordination into the gospel ministry. He is Merritt York, Jr. He is a first year student at Southeastern Baptist Theological Seminary. Merritt has been called as pastor by the Cedar Grove Baptist Mission. Asheboro, First Church is sponsoring this mission and Merritt was ordained by that church on Sunday night, August 12, 1984. The committee lifts him up in prayer as he begins his journey as pastor.

BAPTIST CHILDREN'S HOMES REPORT

The Baptist Children's Homes of North Carolina, Inc. had its beginning 99 years ago on the Mills Home campus. Preparation is already underway to celebrate one hundred years of quality child care in 1985. A tradition of caring and love was begun in 1885 and continues today.

At the very heart of child care is love. That is a simple statement to make. However, for a child to feel and understand love is a far more complex undertaking. It really is done best by the people who live with them daily, the cottage parent. They make the difference in a child's life. We are blessed with staff members who feel it is a real privilege to share their life and love with children, making quality child care possible.

Through members of our social work staff, services are provided to families in a good and efficient manner.

Emergency Care is available in High Point and on the Mills Home campus.

Therapeutic camping at Cameron Home continues to grow in quality. It is operating with three groups of 10 boys each providing intense group work to help boys from 11 to 15 years of age in a year-round therapeutic setting.

Group care at Mills Home and foster care continue to be used in an effective way in service to families.

All services of the Baptist Children's Homes are available through the staff of the Thomasville Family Services Center. These services include: Group living on four campuses, foster care, therapeutic camping, maternity care, emergency care, social work service, care for children in need of specialized assistance, college and technical education, a demonstrational program of preschool child care and development; counseling and professional services to families, and assistance to churches and associations in parent education and family living through the Family Resource Center.

During the Centennial Celebration you can be a part by:

- (1) Praying for the trustees, administration and staff that we might meet the challenges of the future in Family Services.
- (2) Consider serving as a Foster Parent or Child Care Worker in one of our facilities.
- (3) Giving to undergird the program through the Cooperative Program and the North Carolina Missions Offering.

Thank you Baptists for your financial support for nearly one hundred years of child care.

CHRISTIAN EDUCATION REPORT

YOUR NORTH CAROLINA BAPTIST COLLEGES
CAMPBELL - CHOWAN - GARDNER-WEBB - MARS HILL -
MEREDITH - WAKE FOREST - WINGATE

WHY BAPTIST COLLEGES?

In a special study, adopted by the Council on Christian Higher Education, the Baptist college was described as *a place for study; a place for growing in spiritual and intellectual maturity; and a place where life continues and futures are shaped.*

That same report says Baptist colleges are *worth what they cost* because they offer:

1. A good, comprehensive educational experience.
2. An atmosphere of Christian trust and loving concern.
3. The challenge to think and to distinguish among values.
4. An understanding of the place of faith, and the scope and limitations of reason.
5. Acceptance into a person-centered community where spiritual, personal and intellectual growth are encouraged.
6. The opportunity to become familiar with the great ideas and cultures of the past.
7. The motivation to develop a Christian world-view for facing the uncertainties of the future and for resisting the claims of rivals to Christian thought.

The choice of a college has a life-shaping impact. Baptist young people are encouraged to attend Baptist Colleges. It will make a world of difference in their lives.

AN ANNIVERSARY YEAR

The year 1984 marks the 150th anniversary for Wake Forest University. Equally significant, the Baptist State Convention of North Carolina celebrates 150 years of involvement and partnership in Christian education. It all began in 1834, when the convention was only four years old.

Another milestone in 1984 is the 40th birthday of the Council on Christian Higher Education, a model of church/college cooperation in the Southern Baptist Convention.

The ministry of our Baptist colleges has prospered in North Carolina because of the prayers and the gifts of churches, and because Baptist youth continue to attend.

Please continue to favor us with your young people, your gifts and your prayers.

APPRECIATION REPORT

As we have assembled ourselves together for this 50th Annual Session, we offer gratitude to our Heavenly Father for the beautiful ways He has expressed His love to us during these 3 days of worship.

To Balfour Church; Franklinville, First; and Sandy Creek, may we express heartfelt appreciation for your warmth, hospitality and fellowship.

To each speaker, participant and many others whose talents were used to create these meetings, we express our thanks for a job "well done."

The heritage of a rich 50 years is behind us, the challenge and commitment to the next 50 years is before us. It is our hope and prayer that we depart from these meetings in peace, love and joy ready to serve.

ARTICLE VIII — ORDINATION AND CALLING OF PASTORS

Section 1. Inasmuch as the ordination of a man to the gospel ministry by any church in this Association is expected to be recognized by the denomination as a whole, the churches are counseled to be extremely careful in the matter of setting men apart for this sacred calling, ordaining only those who, by irreproachable character, piety of life, doctrinal soundness and suitable talents, give promise of honoring the name of Christ and of rendering acceptable service in the missionary Baptist ministry.

Section 2. To aid the churches in this vital matter, the Association will appoint each year a committee of five of the pastors to be called the Committee on Ordination. Any church desiring to ordain a brother to the ministry may request the Ordination Committee to act as a presbytery for the purpose of examining the brother according to the guidelines found under Duties of Ordination Committee.

Section 3. The churches are urged also to exercise the utmost care and wisdom, earnestly seeking the guidance of the Holy Spirit, in calling of their pastors, choosing only men who give evidence by their Christian character, cooperative spirit and leadership ability, that they will serve the best interests of the churches, the denomination, and the cause of Christ.

Five churches have formed the ACTS Board. They are Asheboro, First; Balfour, Cross Road, Greystone, and Ramseur, First. BTN is very alive and meeting the needs of many of our churches. It is keeping the office very busy just to keep the taping done. We see this as an effective tool of training and inspiration for our churches.

59. Rev. Rotan took this time for promoting the Associational Priorities Goals for 1986. Three areas of planning must take place if we do not want our people to perish from no vision. 1) Reaching People, 2) Develop and Strengthen Believers, and 3) Fellowship. DIRECTOR OF MISSIONS REPORT

This has been a year of opportunity for service to many of our churches through pulpit supply, teaching and training opportunities. For all of this I am grateful to you and to God. There have been many rewarding experiences and some disappointments. Some of our hopes, such as our plans for the Deacons Training Conference did not work out because of weather and sickness; but we shall continue to plan for this area of training in the months and years ahead.

Your Director of Missions has had a busy year and we are very conscious of the Lord's blessings on us and the evidence of the Holy Spirit among us. We have tried to visit the churches as time permitted and enjoyed the wonderful fellowship with the fine people of our Baptist churches. During this year I have been in 31 of our 42 churches.

Many hours have been spent with pastor selection committees (or the pulpit committee) in trying to assist churches in finding the shepherd God would have them to have as a pastor. Part of my work has been spent trying to keep churches from finding the wrong one. There are many wolves in sheep's clothing. I can truthfully say our churches have called some fine men of God as pastors which is a credit to them and a great asset to the association. Many of our churches have learned not to be in a hurry and to be more selective and careful in the calling of a pastor.

It is heartening to see churches in our association broadening their vision and looking out unto the fields that are white unto harvest and are doing something about it. The churches that are reaching out are the ones that God is abundantly blessing. We are praying and hoping for a great increase in baptisms and in Sunday School enrollments during this past year.

This has been a good year with good attendance in our conferences and workshops but we still hope for better participation. Not for the sake of attending a meeting but to train our people to be better servants of our Lord. Over 75 persons were in attendance for our Key Leadership Conference in September. These are our key leaders for our churches. We believe that this is a significant meeting.

Several outstanding events took place during the year that we must never forget. First, the installation of BTN - Baptist Telecommunication Network in our associational office. The network is offering **information** and **training** and **inspiration** to our church leadership. Most of our churches participated in raising around \$5,000 of the total cost of \$9,000 during April, May, and June of this year. I, along with our Moderator, Vernon McDaniel, attended the National Conference in Atlanta, Georgia on ACTS/BTN in April. This was a great help in starting BTN in our association. Around 10-12 of our churches are using the video tapes in their churches with the training of Sunday School teachers with Sunday School lessons and with the Mission Update and various other training tapes. It has become an exciting tool for our churches in training. Many more of our churches will begin using BTN during this next year. It has kept us busy in the associational office taping and reproducing the

tapes for our churches. It was an open door of opportunity that our association accepted.

Also five of our churches have purchased ACTS - The American Christian Television System - for our local cable company. This network is produced by The Radio and Television Commission of the Southern Baptist Convention. There have been several delays in starting date because of equipment needed at the local cable company. But we are hopeful that soon the network will be on channel 25. Yes, this too is an open door of opportunity to share the gospel of Jesus Christ and some good clean entertainment for our community. I believe God will truly bless our witness and ministry through ACTS.

A second event that was outstanding this past year was the Missionary Commissioning Service that we had for two of our pastors and their families who followed God's call to foreign missions. They were Dennis Connell, pastor of Shady Grove Church going to Japan and Rob Roberts, pastor of Oakhurst Church going to Uruguay. This service was conducted at First Baptist Church, Asheboro with the auditorium filled with persons from our churches. It was a great service of worship, testimonies from these pastors and commitment of our support and prayers. This was a historical occasion for our association with two pastors and their families being appointed by the Foreign Missions Board at the same time in May. We thank God for this challenging experience in the life of our association.

A third outstanding event and ministry is the new work that has been started in our association. God has blessed in a great way the Cedar Grove Mission that has been meeting in our associational office since last January. During this past year they have purchased land out on Old Hwy. 49 toward Farmer and plan to begin construction of the first unit next year. Also the new church at Seagrove, Victory Baptist Church has seen great growth as it is now building their new building on Hwy. 220 near Seagrove. Each of these new works has given a new witness to new persons in these areas. To God be praised. It is said and it is a fact that new work grows and reaches more people than old works.

Several years ago the theme of the Week of Prayer for Associational Missions Week was "THE ASSOCIATION, A FAMILY OF CHURCHES". We are a family of churches on mission for Christ in our setting - RANDOLPH COUNTY. Central to the making of a good association in fellowship, cooperation, unity, and ministry. Let us continue during this next year to work on Bold Mission goals through 1990 as we will be seeing to emphasize and set goals to (1) reach people (2) develop believers and (3) strengthen missions. We hope to proclaim the gospel to every person in all the world by the end of the century. I believe it can be done if every Christian would take this seriously.

My deepest thanks and appreciation goes to the wonderful people in our churches and to the splendid pastors who make up our association. I am indebted to your prayers, support, cooperation and encouragement in our work among you. I love serving the Lord in Randolph Association. Also my deepest thanks is expressed to our loyal and faithful office secretary, Mrs. Pat Smith, whose help, support, and encouragement has enabled us to make this work more effective. This year she completes ten years of service to the Randolph Baptist Association.

The challenge is before us as Christians today are probably the greatest opportunities ever. Let us commit ourselves to our Lord and the work He has

given us to make "Good News America, God Loves You" Crusade a great success among us in 1986. Thank you for a good year.

ORDINATION COMMITTEE REPORT

The Ordination Committee met in August at the First Baptist Church, Asheboro for the purpose of examining Mr. Rod Beale to his qualifications for the gospel ministry. The committee found him extremely well qualified and he answered our questions with enthusiasm of his convictions. The committee felt he would make an excellent pastor and leader of the Cedar Grove Mission in which he has been called.

CHRISTIAN EDUCATION REPORT

CAMPBELL - 1887, CHOWAN - 1848, GARDNER-WEBB - 1905, MARS HILL - 1856, MEREDITH - 1891, WAKE FOREST - 1834, WINGATE - 1895

Baptists and their colleges have been doing Christian education together for a long time. Look at those dates listed with each college above. When they are totaled, the cumulative number of service years for our seven colleges is 799! North Carolina Baptists have grown up with their colleges, so much so that it is difficult to imagine our total mission program without them.

If you should ask our college leaders what is uppermost on their minds these days, you would get an answer such as this: "Christian education, Baptist students and Cooperative Program support." A sentence or two about each of these will complete this report.

CHRISTIAN EDUCATION. There are large and important differences that belong to Baptist colleges. They are smaller, friendlier campuses where Christian community is present and encouraged and where education and the Christian faith are compatible.

BAPTIST STUDENTS. Young people from our churches are encouraged to apply to Baptist colleges. Pastors and parents help students when they guide them to Baptist colleges. Generous student aid and work study programs make it possible for any qualified student to attend a Baptist college.

COOPERATIVE PROGRAM. Your North Carolina Baptist colleges say "Thank you" for the generous dollar support through the Cooperative Program. Baptist dollars buy quality Christian education and make healthy institutions possible.

MISSIONS COMMITTEE REPORT

The Missions Committee has met four (4) times during the year to fulfill our responsibilities. The committee was concerned with three areas this year; new work, volunteers in missions; and mission endeavors outside the association.

We had a request from the Calvary Baptist Church in Morgantown, West Virginia to help in Pastoral Assistance. So this past year we have tried to get individuals, churches or mission groups to help support Mark Spain who has been called as the mission pastor in Morgantown, West Virginia. Our goal was to send at least \$300.00 a month to the mission for this support. We have been unsuccessful in reaching our goal thus far. We have been collecting around \$125.00 each month. Because of the MAP program and persons participating in giving to MAP, we have been able to send \$250.00 each month. The following churches or groups have participated in giving toward this pastoral assistance: BALFOUR - CEDAR GROVE - SEAGROVE, FIRST - RAMSEUR, FIRST - HULDAH - GLENOLA - OAKWOOD PARK - CENTER CROSS. We would urge other churches to join us this year in giving \$10-\$15-\$25 per month toward the pastoral assistance in Morgantown, West Virginia.

We were not able to get anything started on the ZOO AREA MINISTRY this year. Because of legislation concerning religious groups on state property, we had to discontinue our work and ministry at the Zoo. We are hoping to find some means of ministry next year. We pray for doors to be opened so that we as a committee can function in more areas.

There are still several areas in the county where new work could be begun. The committee will seek to survey these areas possibly during the next year. It is hoped that next summer we would be able to get a summer worker to do, among other things, some survey work around the Level Cross-Providence Township area. This is the area with the most potential for a new work.

The two church missions have progressed greatly during the past year. The Cedar Grove Mission, with a sponsoring church of First Baptist, Asheboro, have purchased property at the corner of Old 49 and Brickyard Road and will hopefully build this coming year the first unit. They are presently meeting in the associational building with around 35-40 on an average Sunday.

The Victory Baptist Church has grown rapidly this past year and are in the midst of building their new facility on Hwy. 220 near Seagrove. The Missions Committee has received excellent reports from their ministry and mission work. We would recommend tonight that the Victory Baptist Church, which has been under watchcare for one year, be accepted into the Randolph Baptist Association. The following is a report of their work during the past year:

- Baptized six people and presently have 11 awaiting baptism.
- Met a Lottie Moon goal of \$4,000.00. Contributed \$2,000.00 to the Cooperative Program. Gave \$400.00 to Associational Missions.
- Assisted local efforts by contribution of \$500.00 to the Freddie Gage Crusade and \$200.00 to Concerned Citizens of Asheboro. It was our pleasure to work and support these endeavors.
- Participated in a successful church bond sale of \$350,000.00 in 90 hours.
- Awarded a \$363,000.00 building contract to Colin Cheek Construction Building Company. Building is presently under construction and completion date should be February 15, 1986.
- Church sponsored pastor, John Henderson, in a foreign mission preaching tour to Indian Ocean Island of Mauritius. While there the pastor worked closely with Southern Baptist Convention missionaries.
- Recently voted to begin WMU, Brotherhood, and all age-level mission organizations.

BAPTIST HOSPITAL REPORT

Baptist Hospital is committed to making available to its patients the most advanced medical technology in an atmosphere of Christian caring.

New technology brought into service during the past year includes a magnetic resonance scanner which uses a strong magnetic field, radio waves, and computer techniques to obtain images of the body's organs and tissues without using ionizing radiation. During the past year, the hospital also introduced a procedure to remove kidney stones by passing a large needle into the kidney and then breaking up the stones with ultrasound or snaring them with a tiny basket. Medical Center cardiologists have helped to develop a dual-chamber pacemaker which helps to regulate the pace of an ailing heart so that its function is more similar to that of a healthier heart. Also, cardiologists are now using streptokinase to effectively dissolve clots in the coronary arteries. In another development, many cancer patients are now benefiting from a new device which makes intravenous injections of drugs unnecessary. Our Medical Center surgeons helped develop this device called a Port-A-Cath. One other seemingly small development this year, but with important consequences, is the discovery by pediatricians that partial bathing of babies in the intensive care nursery rather than total bathing allows the body temperature to remain constant instead of dropping.

These new discoveries help assure Baptist Hospital patients of a high quality of professional care. Equally important, however, is the emotional and spiritual environment in which this care is provided. Through department staff meetings, through staff education programs, through an ongoing program of new employee orientation, the hospital seeks to preserve an atmosphere of Christian caring and concern. The specific functions of the Pastoral Care Department and the Patient Relations Department contribute to the hospital's effort to minister "with skill and understanding."

During the past year, our hospital admitted 25,140 patients for a total of 213,038 days of care. Ambulatory patient visits including the Bowman Gray Department of Clinics totalled 243,096. The hospital has 701 licensed beds, employs 3,537 persons and has an operating budget of \$124,187,316. The Department of Pastoral Care made 57,849 visits with patients, family members, and employees and provided 21,194 hours of counseling through the Winston-Salem center and the various satellites.

Last year, North Carolina Baptists gave their hospital \$541,255.16 in

financial support through the Cooperative Program and \$367,712.33 through the North Carolina Missions offering. The hospital staff and the patients are deeply grateful for this continuing support.

The hospital is currently involved in another expansion program which will include new parking areas, a new inpatient tower, a clinical services building, and additions to the power plant as well as renovation and alterations of existing space. The total cost of this project is estimated at \$86,344.00.

BAPTIST CHILDREN'S HOMES' REPORT

The mission of the Baptist Children's Homes of North Carolina, Inc. is to care for dependent, neglected and homeless children; emotionally disturbed children; unwed mothers and their children; and the rendering of related services to their relatives. The broad purpose of the Institution embraces services directed toward the preservation, conservation and rehabilitation of families to avoid, whenever possible, the placement of the child away from home.

During this our 100th year of quality child care, the Trustees, staff and President Michael C. Blackwell, pledge anew our commitment to continue fulfilling the mission and broad purpose of this Christian institution of caring as we enter our second century of service. In our Centennial year we served 1,517 children and 1,167 families.

With the Governor's proclamation of May 19, 1985 as "Baptist Children's Homes Day", the centennial celebration was well on its way. Phil Young of Henderson, was commissioned to write "Praise Book," a musical about children and families. The musical was performed by adult and children's choirs in 11 Baptist churches across the state. Dr. Alan Keigh-Lucas wrote, *A Hundred Years of Caring*, an updated history of the Homes. Baptists from across the state submitted their favorite recipes for a cookbook to be released this fall. In cooperation with the Convention's Communication Department a new video, "100 Years of Caring", was released in February. Both the book and the video were underwritten by the Broyhill Foundation. During May, June and July a 1,500 mile relay marathon, the longest in the history of North Carolina, allowed hundreds of people to participate and celebrate the spirit of caring for children.

One of the final events of the Centennial will take place on November 12, 1985 at the Baptist State Convention in Charlotte. The combined voices of our children in care, along with other special features, will be an exciting entrance into our second hundred years of quality child care. We hope you will join us at the Charlotte Coliseum for an evening of celebration, praise and thanksgiving.

BAPTIST RETIREMENT HOMES REPORT

For over 34 years, N.C. Baptists have been ministering with older adults through the Baptist Retirement Homes of North Carolina. The Homes' ministry is one that works — providing security and hope in the midst of sincere concern and love — bringing about the possibility for abundant life — one with a plus. This is all happening in the name of North Carolina Baptists through the "Baptist" Retirement Homes.

The following facts and information will give an overview of the Retirement Homes' ministry from August, 1984 - June, 1985:

- The Retirement Homes had an average daily occupancy of 244 residents in the five group Homes, Nursing Care Unit and apartments.
- Over 30 new residents were admitted to the Homes and Nursing Care.
- Group Home fees for care were not raised. Cost containment and budget controls made this possible.
- Over \$100,000 of benevolent care was provided monthly to Home residents.
- Sixty cents of each benevolent care dollar was provided through Cooperative Program and North Carolina Missions Offering gifts.
- "Heart to Heart" Christmas gifts from friends of the Retirement Homes provided each resident with a \$20 gift.
- The Homes' Nursing Care Unit, Winston-Salem, can now care for 85 persons. Conversion of eleven Hayes Home rooms made this increase possible.
- The Nursing Care Unit is operating at 95% plus occupancy.
- Apartment policies have been revised. Plans are being formulated to build another duplex unit on the Hayes Home Campus.
- A 20-minute video tape "Not An Ordinary Person" has been produced to be used in communicating the Retirement Homes' ministry.
- The Retirement Homes do have vacancies. Please request admissions information from Mr. Jackson S. Hoyle, Administrative Offices, Winston-Salem, NC.
- After more than 24 years of service to North Carolina Baptists and the Retirement Homes, Homes' President Bill Poole retired. A trustee Search Committee is actively seeking the person to become the third President of the Baptist Retirement Homes of N.C. Jackson Hoyle is serving as Interim Director.
- The first meeting of the Retirement Homes' "Heritage Club" was held. The club members have included the Homes in their estate planning. Last year, through bequests, trusts, etc., over \$400,000 was given to support the Retirement Homes' ministry. Information about the Heritage Club is available from the Administrative Offices, Winston-Salem, N.C.
- The fiscal year ending September 30, closed in the black, largely due to special gifts.

The Baptist Retirement Homes' mission is to continue providing the most important dimension to meeting the needs of older adults — Christian compassion. The Retirement Homes provide care beyond the required minimums. Thanks to your mission support, care of which we know you would be proud is provided.

SUNDAY SCHOOL REPORT

Our focus for 1984-85 was the "Reach 5 In '85" Campaign. Although neither the national goal nor the state goal was reached we now have more people enrolled in Sunday School than at any time in history. With the effort as a foundation we now go on to a new vehicle of reaching people through our

10/90 campaign. You will be receiving guidelines and hearing more about this program as the year progresses.

Our "ASSIST TEAM" attended the training sessions for 1984-85 and stand equipped and ready to "ASSIST" you in any way they can. Please feel free to call on them at any time.

Let us always remember the command of our Lord Jesus Christ, "Go ye therefore, and teaching all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit; teaching them to observe all things, whatsoever I have commanded you; and lo, I am with you alway, even unto the end of the world. Amen." (Matthew 28:19-20)

COOPERATIVE PROGRAM REPORT

The lifeline of Southern Baptist mission work is the Cooperative Program. I have learned through the years that our mission work can never be done by one church alone. All of our mission work must be done through a team effort. This team concept can be carried out when our churches cooperate together in sending a portion of their gifts through the Cooperative Program in carrying the gospel to the ends of the earth. Most of our churches have seen the value of this method and have been committed to being a team member. Each month or throughout the year they set aside a certain percentage or amount to go through the churches to the Cooperative Program and trusting our denomination to divide it wisely according to the needs.

This endeavor, through the Cooperative Program, means the local Baptist church is a vital team member in getting the gospel of Christ to a lost and dying world. Also, we see the State Convention and Southern Baptist Convention as a vital team member in sending the gospel around the world. This team ministry is a trust and love relationship. The churches give out of love of Christ and the convention then takes that love and determines how much will stay in the states and help in many ministries and how much will go to the work of the Southern Baptist Convention through our Home and Foreign Missions Boards and agencies. This team concept is a biblical mandate given to us by Jesus at the close of his ministry as he spoke to his disciples when he said, "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit; Teaching them to observe all things whatsoever I have commanded you; and lo, I am with you alway, even unto the end of the world. Amen."

We would encourage you and your church to be a vital member of the team in carrying the gospel to all the world. We urge all churches to give a percentage of their offering through the Cooperative Program. Materials are available through the associational office as well as through the Baptist State Convention to interpret and give you a picture where all the monies go. Let us remember that the fields are white already unto harvest but the laborers are few. We must be the laborers through our gifts, prayers, and ministry.

BROTHERHOOD REPORT

1984-85 has been a good year for Brotherhood in many ways. We are pleased with the response of the men and boys as they have become involved with

missions. Many thanks to the churches who have hosted our associational events; to all Brotherhood leaders; and to all RA leaders and boys for their energy, time and commitment to missions through the Brotherhood program. We must strive to make 1985-86 an even better year.

The following is a listing of our events for 1984-85:

- December 3 — Paul Gordon of the Montgomery Association spoke at Oakhurst. He told of his work in Haiti and of building "boon-dock" chapels.
- January 14 — Key Leadership Conference — "Good News America" Crusade was planned.
- April 13 — Brotherhood Director attended the track meet for Cross Road Church.
- April 30 — Approximately 30 boys participated at Asheboro Jr. High School for associational track meet.
- May 13-15 — Key Leadership Conference — Ridgecrest.
- September 9 — Associational Key Leadership Conference — saw a video on prayer and shared information received at Ridgecrest in May.

CHRISTIAN LIFE AND PUBLIC AFFAIRS REPORT

This has been an extremely busy year for the Council on Christian Life and Public Affairs. Through its three departments, it has provided a variety of field service events and educational resources for North Carolina Baptists. Associational Christian Life committee members were trained and guidance on a wide range of social and ethical issues was furnished to churches and associations. June was promoted as World Hunger Month and our churches increased their giving significantly over that of 1984. The Council made available bulletin inserts, posters, world hunger calendars, and hunger banks, in addition to free offering envelopes.

DEPARTMENT OF CHRISTIAN FAMILY LIFE

A wide range of family life events was led by the department's director. Included were six associational or church-wide Family Enrichment Conferences; three marriage enrichment retreats in addition to sponsoring the annual three-day Clergy Couples Retreat in January and the four-day Basic MER Leadership Training Conference in August; two area-wide single adult seminars and an associational single adult event. The Director also spoke at two Better Homes Clubs, and one church nightly family emphases on topics such as "Ten Commandments for a Good Marriage." He also led three Family Life Revivals, preached in three churches on a Christian family emphasis, spoke to two Baptist associations on ministering to families and divorce in the pastorate, and conducted three parenting workshops. Slide presentations on Togo and Baptist distinctives were presented in two churches.

Two major foci of the department this year were making available four Domestic Violence Conferences in which the Director offered leadership; also three Divorce Adjustment Workshops were led by Dr. Roger Crook, family life specialist in the area. These were held in each area of the state under the department's sponsorship.

Two planning meetings of the Family Ministry Department, Sunday School

Board, were attended in Nashville and Houston. The Southern Baptist Association of Family Ministry was also attended.

Consultations by the director assisting churches, associations, and pastors in their crucial task of strengthening family life were offered. Two conferences for pastor's wives were underwritten by the department.

DEPARTMENT OF AGING

Ministry with Senior Adults in North Carolina has experienced significant growth this year. Churches are becoming increasingly aware of the potential for ministry among older persons. Senior adult leaders received training in several workshops across the state and a number from North Carolina attended the National Seminar on Aging in Atlanta, Georgia in January. In addition, more than 100 pastors participated in the "Pastoring Older Individuals and Their Families" seminars held in April in four locations in the state.

Six conferences/retreats for senior adults were held at Caraway Baptist Conference Center with more than 800 persons in attendance. The department continues to cooperate with the Christian Family Life Department in family enrichment conferences with sections for older persons. Many churches observed senior adult emphasis day.

DEPARTMENT OF CHRISTIAN CITIZENSHIP EDUCATION

The work of Christian Citizenship Education has focused on the 1985 session of the General Assembly, which convened in February and ran into July. As usual, money matters took center stage, with much time going into the preparation of the state's budget and into debate regarding tax reductions. In addition, the legislature dealt with significant issues affecting the environment, education, alcohol abuse, pornography, gambling, and day care.

The Department continued to make legislative news available to Baptists through the Legislative Information Network, made up of nearly 900 people who received regular updates on issues facing the General Assembly. For the first time, summaries of L.I.N. materials were prepared and mailed to all pastors through the Pastor's Monthly Mailing. Some associations took advantage of the opportunity to have an Associational Day at the General Assembly, bringing a group of interested church members to Raleigh to see first-hand the work of the legislature.

World hunger continued to be a matter of great concern to many Baptists. The ongoing crisis of famine in Africa has stirred new awareness of the problems and new generosity in response. In 1984, for the first time, North Carolina Baptists gave a little more than one million dollars through Baptist channels to fight hunger. In 1985 giving is running ahead of 1984. Yet so much remains to be done. While millions face death in Ethiopia, Sudan, Mali, Mozambique, Chad, Niger, and Burkina Faso, our gifts still average less than one dollar per Baptist per year. Please be in prayer

- for the millions facing hunger and starvation,
- for rain to relieve the African drought,
- for caregivers (missionaries and others) who seek to help,
- for ourselves, that our compassion may lead us to greater generosity.

BUILDING AND GROUNDS REPORT

The Building and Grounds Committee has functioned twice during the year. The following is a list of needs met through our committee. (1) An area light was installed outside of building. This was done to the upper part of the building thus providing the parking area with sufficient light for night meetings. (2) The air conditioning unit in the workroom needed repairing. The video equipment is housed in this room and at times the room needs to be cooled.

The drive and parking area still needs much work done on it. It has washed out very badly during the summer rains and in the future this matter will need to be corrected. The paving of this area will eliminate all of these problems.

CHRISTIAN LITERATURE REPORT

During the year 1983-84 most of our Baptist literature continued to be published by our Sunday School Board by its various agencies. The office of Publishing and Distribution reports that Baptist book stores generated sales of \$54,445,676. In the meantime, Broadman Publishing released 571 new products. A new Sunday School Board program statement for Bible publishing was recommended to and approved by the Southern Baptist Convention 1984, adding the strategy of mass distribution of inexpensive, at-cost copies of scripture.

Baptist Telecommunication Network was launched at the convention in Kansas City 1984 in a joint session with ACTS; BTN messages are being produced, edited, and transmitted daily to more than 200 church, associational, and agency subscribers.

A new quarterly publication, *Helps for Outreach and Witness*, was introduced in October 1983 to support the Department Enrollment Goal, the goal on evangelistic visitation, and the goal on training workers in personal witnessing. This new periodical may be ordered separately, but also is inserted in Adult Bible Study, Young Adult Study, and Senior Adult Bible Study in the Life and Work Series. The total circulation of "Helps for Outreach and Witness" to date is more than 1,400,00 per quarter.

Other new products designed to support the Sunday emphasis for 1983-85 include: *How to Develop a Caring Sunday School*, *How to Select and Use Sunday*

School Records, *How to Make Your Sunday School Evangelistic*, and *How to Create Excitement for Bible Study*. Youth curriculum material during the past year has given special attention to evangelism and weekly visitation. Both Bible Story Time for preschool work and Children's Bible Study increased in circulation some 30.8 percent since October 1983.

Baptist Doctrine Studies in 1985 have been designed to emphasize the Doctrine of Christ. Baptist Doctrine studies in 1986 will emphasize the Doctrine of the Laity. A major emphasis on developing believers will be highlighted in 1985-86.

There is also in circulation a number of Family Ministry periodicals such as *Home Life*, *Mature Living*, *Christian Single*, *Living with Preschoolers*, *Living with Children* and *Living with Teenagers*.

We must not overlook the great variety of literature that Broadman Publishing has produced in the past year. Their 571 new products of the year includes 97 books, 2 motion pictures, 18 film strips, 7 videotapes, 37 audio cassettes, 6 audio cassette albums, 6 tape tracks, 6 recordings, 7 choral or vocal collections, 4 choral works, 39 octavos, 6 instrumental parts, 16 instrumental collections, 15 cassettes, 18 handbell pieces, 195 new church supply items, and 92 Spanish items. During the same period, 455 old products were dropped by being declared out of print.

Another agency of our Baptist people in North Carolina that deserves high commendation is our state paper, the *Biblical Recorder*. It is now reported that non-church membership in N.C. is greater than church membership of all churches. Hence, our evangelism burden to win the lost and our ministry obligations to all people are the greatest in all our history.

The record gladly and gratefully assumes its role in this great ministry. It seeks to inform, indoctrinate, enlist, inspire and provide a forum for Baptist thought and action as we work together to achieve God's purpose for us.

Let us pray together for the advancement of Christ's Kingdom. Please pray for the paper, its ministry, staff and contribution to the Lord's work.

EVANGELISM REPORT

We are told that only three percent of all the lost people come to our churches on their own. This means that 97 percent are out there lost without help, without hope, without strength. These people will die and go to hell unless we go to where they are and share Jesus with them. It is absolutely

imperative that our church people come out of the beautiful church buildings into the market place and share with lost humanity the "Good News" of Jesus.

All Baptists are urged to participate in the "Good News America, God Loves You" revival in March and April 1986. The dates for the areas are: Eastern, March 9-16; Piedmont, March 23-30; and Western, April 6-13, 1986. Every church is encouraged to plan a revival meeting during one of these suggested dates. Let us pray daily that every unsaved person in North Carolina will have the opportunity to hear the gospel of Christ by the end of 1986.

Churches are urged to have a CWT or Lay Evangelism School training in preparation for the "Good News America" revivals. Bible distribution and a people search will be emphasized during October 1985.

In February, in the midst of an ice storm, the Statewide Evangelism Conference was held at War Memorial Auditorium and Coliseum, Greensboro. Jo Ann Shelton and Loeen Bushman led the Music and Dr. John Sullivan, Dr. John Bisagno, Dr. Bill Jones, Dr. James Pleitz, Dr. William Tanner, and Dr. Charles Page preached to the twenty-five hundred in attendance. On February 3-4, 1986 the 40th Conference will be held in Greensboro Coliseum with Dr. George Harris, Dr. Frank Crumpler, Dr. Leonard Sanderson, Dr. Frederick Sampson, and Dr. Jim Henry bringing the messages.

Super Summer '85 was held in July this year at Wake Forest University July 10-12, with the Crusade on Friday night in Greensboro with almost ten thousand young people in attendance.

The Evangelism Division sponsored 15 regional meetings in October designed for pastors and staff. These meetings will be held each year to inform and educate the staff on coming evangelism events and programs. The meetings begin at 10:00 a.m. and last until noon with lunch being served. This year the emphasis will be on the "Good News America" revivals.

The second Mountain Pastors Evangelism Conference was held at Ridgecrest and was such a success the 1985 conference is already on the agenda. Designed for the mountain pastor and his wife, the conference begins on Friday afternoon and concludes at 2:00 p.m.

Again, one of the hits of the year was the Single Adult Evangelism retreat. This is the third year for this retreat and it along with the vocational evangelists retreat are always well attended.

With baptisms down this year, let's pray God will use each of us to win one in 1985-86.

CHURCH TRAINING REPORT

It has been a great joy to be a part of this association and all of its concentrated efforts of ministry that it performs. Thanks go to everyone who has been a part of Church Training and those who have helped me many times in the service of Associational Church Training work.

This past year our two main events were "M" Night and Children's Bible Drill. "M" Night was held November 26, 1984 at Randleman, First Church. The theme was "Bringing Together Evangelism and Missions." Our guest speaker was Dr. Vann Murrell, Chairman from the Department of Religious

Studies at Gardner-Webb College. It was an inspirational and challenging night as we were urged to "practice what we preach."

Our Children's Bible Drill was held at Asheboro, First Church with 5 competing and 5 qualifying for the state drill. It was very rewarding to see these young people know so much about the Bible.

As this association continues to minister to the needs of the churches and their communities, please seek out what Church Training can do for your church. May God bless this association in all its endeavors to serve Jesus Christ our Lord and Saviour.

YOUTH AND CAMPUS MINISTRIES

One of the most exciting and challenging ministries of North Carolina Baptist churches through our Convention is that done by the Division of Youth and Campus Ministries. Our task on behalf of junior and senior high school students is to provide leadership training for adult and youth leaders to coordinate the Convention's several programs which include youth, and to project the Convention's Youth Weeks at the Assembly. Rick Traylor does an exceptional job in that area.

You have assigned to us your primary ministry with students. We have BSUs or some organized group work on 43 campuses. More than thirty volunteers work alongside some twenty full-time campus ministers and four other staff persons in your ministry to students. We as campus ministers are committed to serving consistently as resource persons for church workers with college students in all North Carolina Baptist congregations. We guide in local emphases which include evangelism, missions experience and education, Bible study, worship, integration of faith and education and decision making as part of Christian discipleships. Over \$40,000 has been contributed by North Carolina BSUs this year toward a state-level missions program which witnesses around the world. Additional money and time are invested as students find ways to serve in local communities, usually alongside their older Christian brothers and sisters.

Our BSUs from Cullowhee to Greenville and Murfreesboro have teams of students who are prepared to preach, teach, sing and share with those in Baptist churches nearby. Puppet and clown teams, in addition, present the Gospel in unique but effective ways to children, senior citizens and everyone in between!

In seven locations — Cullowhee, Boone, Greensboro, Chapel Hill, Raleigh, Greenville and Pembroke — the Convention owns student centers, facilities especially dedicated to ministry with persons in the academic communities.

A BRIEF HISTORY OF HULDAH BAPTIST CHURCH

The seed beginnings of Huldah Baptist Church date back as far as April 1896 in the hearts of neighbors of Rock Springs School District, who asked Rev. Marvin J. Leach to preach once a month in the school house. Soon a Sunday

School was formed and began to progress rapidly. In the fall of 1896 the people requested Rev. Leach to conduct a series of meetings “under a brush arbor.” Many were converted and as a result on the second Sunday in November, 1896, Huldah Baptist Church was organized with eleven chartered members.

The church name came from Huldah J. Staley, an elderly lady living near the church, who requested that the church be named after her.

Huldah Baptist Church is located three miles north of Seagrove, N.C. The land on which the first building was erected was presented by John Presnell.

After having served the congregation for many long years, the first church building was replaced by a newer one in 1954. Many wonderful years of worship were observed in the second auditorium. God abundantly blessed Huldah and once again the congregation felt the need for a new auditorium. On April 24, 1977, a dedication service was held. At present Wayne Vuncannon is pastor; they have a membership of 233 with 112 being enrolled in Sunday School.

A BRIEF HISTORY OF CENTER CROSS BAPTIST CHURCH

In 1892 a group of people began meeting in a brush arbor. The group was organized into a Baptist organization. Then in 1898, John Cole and Willy Russell each gave the organization one acre of land so there would be enough land to build a church sanctuary and have a cemetery. The church which was built on this land was named Center Cross Baptist Church.

Kerosene lamps were used to light the first church building with an aladdin lamp being added later over the pedal organ. A three-eye stove fired with wood was used to heat the first church building. In 1940 there were five Sunday School rooms, a heating system, and a side-wing added to the original frame structure. In 1957 a pastor’s study, restrooms, two more Sunday School rooms, a small basement, and air conditioning was added. In 1977 the existing basement section was made into two Sunday School rooms being built above the fellowship hall. At the end of 1983 and the beginning of 1984, the original building portion of the church was torn down and replaced by a new sanctuary with a seating capacity of approximately 250. The new sanctuary also included a choir loft and a baptistry.

The congregation has grown to a present Sunday School enrollment of 186 with an average attendance of 130. Kenneth Warner is the present pastor. They have recently organized WMU in the church.

APPRECIATION REPORT

As the 51st Annual Session of the Randolph Baptist Association comes to a close, we want to express our gratitude to our Lord and Saviour for the many blessings He has bestowed upon us as an association.

We want to express our sincere thanks to the Huldah Church and the Center Cross Church for their hospitality and thoughtfulness toward our association.

A very special thanks is extended to each speaker and participant who has challenged us to "plan our work and work our plan."

We want to say thank you to all who worked so faithfully behind the scenes to make these sessions the success they have been.

As we go back to our respected churches to "work His plan" may God be with us throughout our new year ahead.
